

## Identifying Class Offerings

1) Sign in with your Username and Password.

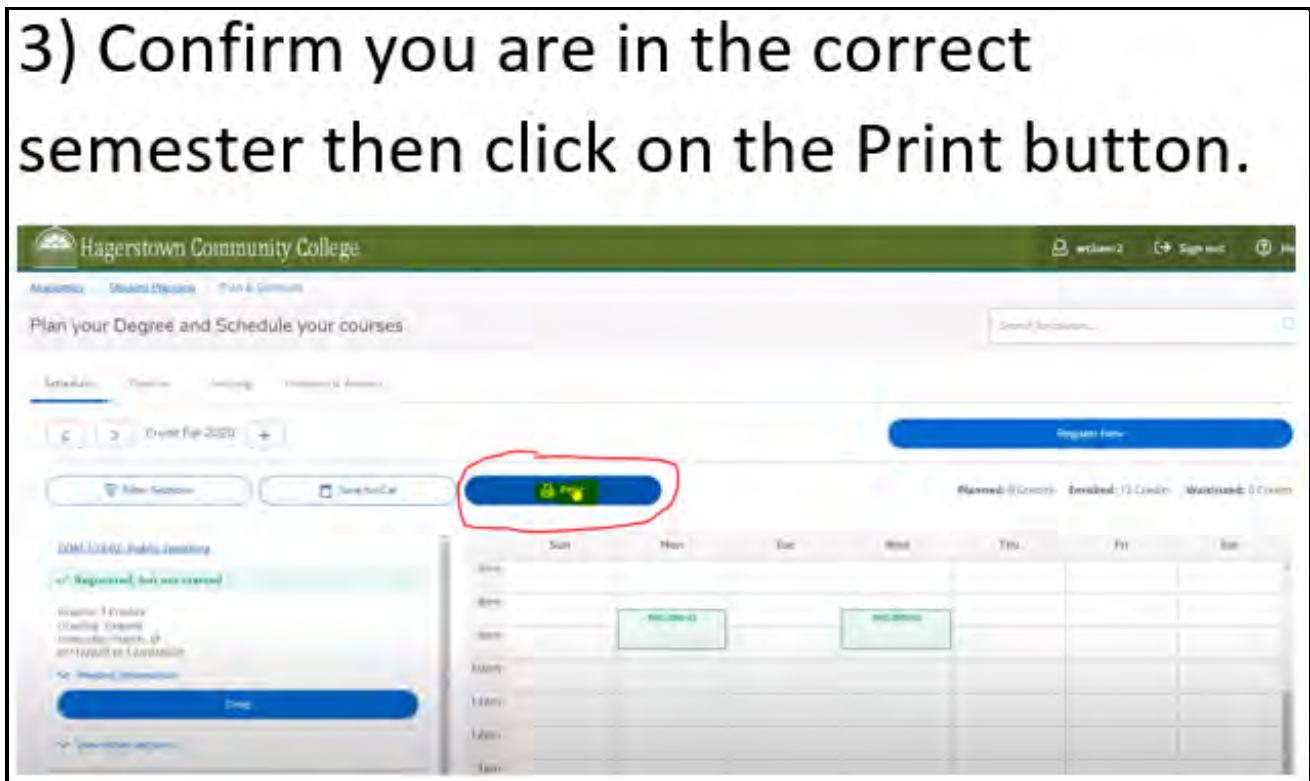

A sign-in form titled "Sign In" with a white background and a green border. It features two input fields: "User name" containing "wcbær2" and "Password" with masked characters. A blue "Sign In" button is at the bottom.

2) Click on the Graduation cap (Academics). Then click on Register for Classes.

A screenshot of the Hagerstown Community College self-service portal. The left sidebar menu has "Academics" and "Register for Classes" circled in red. The main content area shows a welcome message and several service tiles, including "Student Finance", "Tax Information", "Student Planning", and "Grades".

3) Confirm you are in the correct semester then click on the Print button.

A screenshot of the course registration page. The top navigation bar includes "Academics", "Student Services", and "Plan & Connect". The main heading is "Plan your Degree and Schedule your courses". Below this, there are navigation controls for "Term" (set to "Fall 2020") and a "Print" button circled in red. A course card for "ZOM 11002 Public Speaking" is visible on the left, and a weekly class schedule grid is on the right.

## Identifying Class Offerings

4) View the “Additional Information” at the bottom of each course box. This will instruct you on how the class will be offered that semester.
