

NIST FIELD TRIP

October 14th, 2016

8:30am – 2:30pm

Bag a lunch and join us on a field trip to visit the world class **cybersecurity** and **digital forensics** labs at the NATIONAL INSTITUTE OF STANDARDS AND TECHNOLOGY (NIST)!

NIST is responsible for fostering discovery and developing new technical solutions to strengthen cybersecurity in both the public and private sectors while protecting privacy, ensuring public safety as well as economic and national security.

And

You will have the rare opportunity to see how cutting edge technology is used and tested on a national and international level.

*The field trip is being funded by the NSF grants and is completely free of charge!
Contact Mike Blackburn at mblackburn@hagerstowncc.edu or call 240-500-2203 to save your spot
Emergency contact information will be required. Additional information may be required.*

If interested please contact and

Return to Mike Blackburn in the Robinwood Center

Space is limited so reserve your spot today!
