

Course Title: TRK 108 Commercial Vehicle Transportation Career Development

Course Instructor(s): CVT Staff

Expected Learning Outcomes:

1. **Students will be able to complete a job application.**
2. **Students will be able to research and analyze information about employers.**

Assessment (How do students demonstrate achievement of these outcomes?)

1. Students must complete a job application.
2. Students must complete an employer research worksheet.
3. Students must pass final exam on classroom curriculum.

Validation (What methods are used to validate your assessment?)

1. **Students must apply for a job.**

Results (What do the data show?)

1. **60% job placement rate.**

Follow-up (How have you used the data to improve student learning?)

1. **Career Development has expanded the curriculum to include money management.**

Budget Justification

(What resources are necessary to improve student learning?)

1. CVT has acquired computers for student employer research.
