

Parking & Traffic Policy – HCC Main Campus and Extension Sites

All campus buildings, roadways, walkways and parking areas are the property of Hagerstown Community College. All persons and motor vehicles entering the Hagerstown Community College Campus are bound by Maryland state traffic laws and College parking and traffic policy and procedures.

Students, faculty, staff and authorized visitors are permitted the privilege of operating a motor vehicle on the Hagerstown Community College campus as long as campus parking and traffic procedures and applicable city and state traffic laws are adhered to. The intent of this policy and other related regulations and procedures is to establish traffic, parking and pedestrian rules for the protection of students, faculty, staff and visitors.

It shall be the policy of Hagerstown Community College to issue parking permits, a fee may apply, as well as to provide for provisions for conditional overnight parking. Appropriate fines and penalties will be implemented by the administration for violation of parking and traffic laws and regulations set by the State of Maryland and Hagerstown Community College.

To the extent possible and where appropriate, these provisions will also apply to HCC provided parking at extension sites.

BACKGROUND:

With minor modifications the following statement formalizes current practice at Hagerstown Community College. Procedures including permits, traffic regulations, parking, overnight parking, vehicular assistance and fines and appeals have also been developed to support this policy statement.

Note: This Background Statement was presented to the Board of Trustees along with the policy recommended for approval.
