Add to Page 11 of the current catalog: "Hagerstown Community College encourages student participation in the Advanced Placement (AP) program sponsored the College Board and the International Baccalaureate Program sponsored by the International Baccalaureate Organization. High school students who take AP and IB courses in their high schools may confirm that they have learned the equivalent of college level work by taking the appropriate placement exams administered by the Educational Testing Service (AP) and by the International Baccalaureate Organization (IB).....**continue with previous copy.**

The committee discussed and proposed the following policy:

National Examinations

HCC awards credit for the Advanced Placement (**AP**), the College Level Examination Program (**CLEP**), Dantes Subject Standardized Tests (**DSST**, formerly known as **DANTES**) **and the International Baccalaureate diploma.**

To be placed under

Advanced Placement Examinations

.....

International Baccalaureate Diploma

These subject exams sponsored by the International Baccalaureate Organization are usually administered through high schools at the completion of the IB course offerings. HCC awards credits based on the IB exams and minimum scores listed on the next page. Applicants for admissions who have taken IB examinations should have an official copy of their scores sent to the Office of Admissions and Registration. To request an official IB report, write to:
