

**HCC Practical Nursing Program 2012-2013
NUR 112 Course Outcomes and Summary
Fall 2012**

Course/Program Title: NUR 112: Care of Human Needs

Course/Program Team: Patricia Williams, MSN, RN

Michele Blash, MSN, RN (part time)

Expected Learning Outcomes:

- Incorporate the nursing process into the plan of care
- Begin to demonstrate safety measures when providing care
- Identify the ethical and legal implications of medication administration and documentation
- Demonstrates sensitivity to all individuals
- Begin to contribute to the plan of care for the individual
- Participate as a member of the healthcare team
- Demonstrate organizational skills to complete nursing care in a timely manner
- Demonstrate beginning professional behaviors
- Verbalize the importance of continuity of care for the individual

Assessment: Clinical evaluation, projects, written assignments, examinations, student evaluations

Validation: Observation and demonstrations in the clinical lab setting and in the clinical setting as well as theory examinations. The ATI Fundamentals Content Mastery Exam is administered in the NUR 112 Semester after additional information and nursing skills are taught in the clinical lab and classroom.

Results: 19 students returned to NUR 112 from successfully completing NUR 111; 2 students from the ADN program admitted, one returned from NUR 112 last year to repeat, and one transferred from another program.

20 students successfully completed the NUR 112 Session. One student failed the clinical, the transfer student withdrew after 3 days of class, and one failed the lab /clinical portion of the session.

Follow-up: Will review the student evaluations and the ATI Fundamentals Content Mastery Examination to determine any changes in teachings and laboratory practices that need to be addressed.

ATI Content Mastery Exam for Fundamentals: (Note: not all material evaluated on this content mastery exam was covered in NUR 111/112.)

Level 3: 1 student

Level 2: 18 students

Level 1: 3 students

Below Level 1: 0 students

In reviewing the results, NO changes to the NUR 111/112 session course content are applicable.

Fall 2012**

Budget Justification:

- Need additional assistance in the clinical laboratory to allow more face to face time to demonstrate nursing skills and monitor return demonstrations.
- Continue with the ATI Program and the Skills Module assignments as well as the practice modules available online to the students.

Please post with November Nursing Faculty minutes.
