Program Outcomes Guide

Directions: Please complete this form to document your progress toward improving student learning. For each item, indicate your progress and your anticipated next steps. Thank you!

Program Title: Associate Degree Nursing   **Date: 05/12**

Program Team: Karen Hammond (DON) and faculty

Expected Learning Outcomes: Program Outcomes

Assessment: Final Exams, ATI exam, Comprehensive Predictor Exam, Clinical Evaluations, Lab Evaluations

Validation (What methods have you used or will you use to validate your assessment?)

NCLEX-RN Pass Rates

Results (What do your assessment data show? If you have not yet assessed student achievement of your learning outcomes, when is assessment planned?)
        There were 61 graduates. Out of the 32 who have taken the exam, 30 have passed the NCLEX exam= 94% thus far.

Follow-up (How have you used or how will you use the data to improve student learning?)

Student Support Specialist
ATI throughout the RN program
Nursing Remediation Specialist
 ATIRemediation Specialists—Remediation with every student who takes the Comprehensive predictor and does not achieve at least a score of 90% probability of passing the NCLEX Exam.

Budget Justification (What resources are necessary to improve student learning?)

Continue with ATI and support staff
