Course/Program Title: DNC 213 Ballet: Intermediate II Date: 10/11/2013

Course/Program Team: Alyssa Little

Expected Learning Outcomes:
1. Students will define and describe advanced ballet terminology.
2. Students will critically view their own dance performance and express opinions and conclusions both verbally and through written communications.
3. Students will execute in class and perform for an audience intermediate/advanced ballet technique.
4. Students will demonstrate knowledge of specific periods in ballet history.
5. Students will choreograph an original work.

Assessment (How do or will students demonstrate achievement of each outcome?)

Outcome 1: Final Exam.

Outcome 2: Written Critique of final dance performance.

Outcome 3: Students will participate in a final performance.

Outcome 4: Final Performance.

Outcome 5: Research presentation on historical period of Ballet.

Outcome 6: Students are required to choreograph and perform an original work.

Validation (What methods have you used or will you use to validate your assessment?)

Rubrics have been created or will be created that will monitor student success with each assessment.

Results (What do your assessment data show? If you have not yet assessed student achievement of your learning outcomes, when is assessment planned?)

Students should average an 85 in the course, if they receive lower or higher on average, the assessments will need to be re-evaluated.

Follow-up (How have you used or how will you use the data to improve student learning?)

Curriculum will be adjusted based upon student outcome success. If the average of the class falls below the average or above, the rigor of the course will need to be examined. Eventually, external validation will be arranged.

Budget Justification (What resources are necessary to improve student learning?)

Small costume budget.
