Results LECTURE BASED SECTIONS

Course Completion:

82% (99/121 students) completed the course with a grade of 75% or higher
18% (22/121 students) completed the course with a grade less than 75%. Of these, 7 were “walk away” F grades. Repeated contacts were made to encourage these students to withdraw from the course, but they did not.

Course Outcomes (Common Final Exam Questions): (N=114)

Course Outcome 1: 75% of students get >75% correct

Questions 1-5, 61-65	word definition	78%
Questions 101-110	word building	40%

Course Outcome 2:

Questions 166-185	abbreviation definition	79%
Questions 186-225	pathophysiology	90%

Follow-up

Students did not meet outcome 1 in the category of word building. Encourage instructors to incorporate more word building exercises in class and homework activities. Develop word building exercises that can be placed at the Student Learning Center and require all students to complete at the center.

Encourage instructors to assess students at midterm to identify those students with grades less than 75% and offer those students additional assistance as determined by the student and instructor.

Continue to make students aware of the college policy on withdrawing from classes to reduce the number of walk away “F” grades.
