Course Outcomes Guide

Directions: Please complete this form to document your progress toward improving student learning. For each item, indicate your progress and your anticipated next steps. Thank you!

Course/Program Title: DEN 110 Dental Assisting II  Date: Spring 2014

Course/Program Team: Rebecca Leonard

Expected Learning Outcomes:

Achieve the skills necessary to provide abundant assistance as a dental professional in a professional setting
Operate as a dental team member in the capacity of expanded functions.
Perform patient care while exercising concepts of compliance with patient confidentiality.
Maintain asepsis protocol during expanded functions
Assess patient's needs in preparing the patient for the dental exam by the dentist.
Explain the importance of maintaining up-to-date skills.
Formulating appropriate communication skills.
Describe expanded function duties.
Interpret expanded functions.

Assessment: (How do or will students demonstrate achievement of each outcome? Please attach a copy of your assessment electronically.)

Validation: (What methods have you used or will you use to validate your assessment?)

Results: (What do your assessment data show? If you have not yet assessed student achievement of your learning outcomes, when is assessment planned?)

Number of students assessed

Follow-up: (How have you used or how will you use the data to improve student learning?)
**Budget Justification:** (What resources are necessary to improve student learning?)
