

Course Title: TRK 110 Introduction to Commercial Vehicle Transportation

Course Instructor(s): Staff

Programs: Commercial Vehicle Transportation

Expected Learning Outcomes

- **Complete hours of services problems and trip planning**
- **Identify individual systems on CMV**
- **Complete Defensive Driving Course**
- **Complete Entry Level Awareness Training**

Assessment (How do students demonstrate achievement of these outcomes?)

- Students are required to complete two hours of service problems
- Students must pass hours of service exam
- Students must complete chapter quizzes

Validation (What methods are used to validate your assessment?)

Students are required to apply classroom knowledge in the operation of commercial motor vehicles

1

Results (What do the data show?)

- 97.3% pass rate

Follow-up (How have you used the data to improve student learning?)

- Exam questions are modeled after exam material used at state MVA testing sites
- Added online learning and video library

Budget Justification

(What resources are necessary to improve student learning?)

Classrooms

Added video library (online)
