# HCC offers a great value in higher education

- New Student Center COMING August 2015 HCC will open its newly renovated and expanded Student Center in time for the start of fall classes. It will feature a coffee shop and more space for students to eat, participate in student activities, and meet with friends in between classes. Student Services offices will be housed in the new space.
- Affordable Tuition Students at HCC save an average of \$20,000 on the first two years of college.
- Quality Instruction Most HCC faculty have advanced degrees and training or industry experience in their fields of expertise.
- Career-Focused and Transferable Programs –
  HCC prepares students for careers that are in
  demand, through degrees, certificates, and letters of
  recognition, as well as transfer to four-year schools.
- Credit for Prior Learning Students can earn credits for prior traditional and nontraditional education (military training, standardized exams, and prior learning assessment).
- MORE Online Programs and Courses HCC is constantly adding more online classes and now offers several degree and certificate programs that can be finished completely online. (Look for the computer icon by online courses and programs.)
