COURSE: EMS 121 – Emergency Medical Technician – Part B

3 Credit

INSTRUCTOR:

SEMESTER/YEAR: Spring 2015

COURSE DESCRIPTION: The second of two required courses that, upon completion, will qualify students for Maryland or National Registry EMT testing. This course includes obstetrics, pediatrics, geriatrics, as well as other special populations. EMT skill practice and field practicum time are also included. EMS 120 and EMS 121 must be completed consecutively to qualify for state and National Registry. Course fee required. Total of 17 hours lecture, 12 hours lab, 5 hours practicum, and 10 ambulance responses.

Textbook: Emergency Care & Resource Central EMS Student Access Code Card Pkg, 12th edition, by Limmer and O’Keefe, Pearson. ISBN: 0132824418

STUDENT LEARNING OUTCOMES:

- Explain the different cultural customs of different ethnicities and religious groups regarding childbirth
- Explain the roll of communications and medevac services in prehospital care.
- Manage pediatric and geriatric patients according to their particular anatomical and physiological needs.
- Demonstrate integrated knowledge in performing the duties of an EMT during prehospital internship.
- Demonstrate successful knowledge of EMT in the following areas: cognitive, affective and psychomotor.

COURSE WORKLOAD: Each 3 credit course requires a total of 112.5 hours of instructional time/student work. The course will have 37.5 hours of instructional time and 75 hours will account for student work outside of instructional time. The average is 5 hours per week of student work.

ACCOUNTING FOR CREDIT HOUR REQUIEMENT:

Assignment/Assessment	Clock Hours
In- class instruction	37.5
