  - b. Honors in Action
    - i. PTK does an Honors in Action project each year. It is a research project to raise awareness and/or take action regarding a topic.
    - ii. This year' topic is 3D printing and how it applies to medicine.
      - 1. With this being a STEM topic, would anyone be interested in a collaboration of sorts?
- VIII. TIC**
  - a. Janice Riley and the TIC have been pushing hard this year for use of the facility. An idea that came up in a recent meeting was to hold an fair of sorts, perhaps an “Innovation Fair”, whereby students could not only present business ideas but also inventions, science projects, and so forth.
    - i. Would anybody be interested in doing something like this?
  - b. The TIC tour is October 9, 12:00 – 2:00, for those of you who are interested.
    - i. The next STEM Club General Meeting is planned for the same day, so you will be reminded once more then.
- IX. Fall Club Fair**
  - a. Thanks to everyone who helped!
  - b. We had 12 sign-ups, 10 people took our STEM quiz, and many people were doing the interactive activities and/or were interested in the props.
  - c. Recall that there will be another Club Fair in the spring.
