10/19/2015

Attended: Robin Shaner, Ben Buhrman, Kristen Davis, Marisa Marquez, Charlee McNeil, Hannah LeGrand, Andrea Fraticelli, Carrie Barr, Paola Torres, Michael Burnhart, Lacey Bennett, Richard Dobson, Lexi Oliver, Adam Martens, Jacob Waeyaert, Madeline Harmon, Adia Pacheco, Sean Beseacker

### Past Events

**Concessions:** Concessions for the Opera and SGA movie did not go well. While we did have members to sell concessions, there were not many people attending these events so the club did not sell many concessions. However the club did sell concessions for MEG's "Poe Night" which the club made more money at this event than the two other events combined. Thank you to all the members who help with concessions!

### Upcoming Events

**KOA Haunted House 10/23:** This event is this Friday so this day was the last day to sign up. We left the O lot at 7:30pm and returned at 10:30pm. The SGA paid for this event so members went for free. At this time we needed five more participants. You have to be an HCC student to attend.

**SGA War Games 10/28 & 29:** There has ben a change in the 29th date time due to the safety seminar happening that same day. The time is now 11:30- 1. Because of this change Michael is able to help on the 29th. Adam and Paola are still available. The event takes place in the student center. *This is a point opportunity!*

**Mummer's Parade 10/31:** We will meet to do make up for those participating in the Mummer's Parade for HCC at 2:30, the bus will leave at 4 and be back at the school between 8-9. *This is a point opportunity!*

Sign up sheet as of 10/19

Charlee, Andrea, Lexi, Richard? (There may have been more on this list that the secretary was unable to write down)

**Our Town Concessions 11/6-8:** The club needs members to sell concessions for the Our Town performances the first weekend in November. Many of the members who have been doing concessions are in this show, so we are in need of other members to help with concessions. We will be selling popcorn at this event which is one of our biggest money makers. *This is a point opportunity!*

**Medieval Times 11/22:** The cost for this event is \$22. Money will be due at the next general meeting on 11/2. We have 20 tickets for club members that are HCC students and over 16 years old. We will leave the O lot at 2:30, the show is at 5, and be back at the school between 10-11pm.

**NYC Broadway Trip 2/6/2015:** the club decided to take it's annual trip to New York in 2016 on February 6th. Shows will be voted on in a future meeting. Some shows that members expressed an interest in were- *Hamilton, Aladdin, Noises Off* and *The Book of Mormon*.

## **Future Events/Ideas**

Possibly doing concessions off campus for theater groups that don't have concessions, such as MEG. However MEG does have concessions where they are now so this probably won't work.

In the Spring, there is a ballet performance of *Hamlet* at the Kennedy Center. Details to come at a later date.

The club would definitely like to host the Day of Theater again. We are asking club members to start thinking of theater/performing arts related work shops they would like to see at this event. Details to come at a later date.

Blackfriars is another event the club would like to attend again. Details to come at a later date.

## **Fundraisers:**

A photo booth at an event or just in the Kepler. Costumes and props would be available for people to wear and then take pictures in.

Bake sale. We could do a Christmas themed bake sale. Also sell baked goods during concessions.
