**Follow-up:**

**Due to changes made for the 2014-15 class, all course outcomes were met for DEN120. This course was changed to a hybrid class and speakers and individual remediation was implemented for those who were identified.**

**For the 2016-2017 class I will continue with the course as hybrid and implement more speakers and real life scenarios into the class meeting times.**

**Budget Justification:**

**Adequate instructor resources will help me meet my course outcome goals.**

**Instruments for the Endodontic procedures to show the students will be very helpful.**

**Guest speakers and mock demonstrations of procedures will help me meet my outcome goals.**
