There was 0 audit and 0 withdrew from the course.

For the Spring 2016 semester specifically, 4 students took the class and all 4 (100%) successfully completed the class.

The grade distribution for Spring 2016 is as follows:
Follow-up (How have you used the data to improve student learning?)

94% of students completing course requirements successfully complete coursework.

New forensic servers and forensic software were bought and introduced in the curriculum in the Spring 2016 semester.

(To do)
Seek out forensics competitions that will allow students to apply their skills.
Research and develop curriculum to seek Forensics Certification.
Explore the opportunity of adding a mock trial to the course.

Budget Justification
(What resources are necessary to improve student learning?)

PC lab, projection unit, cabling, tools, printers
UFRED forensic servers
EnCase forensic software
Course Management software
Classroom Management system software
