Course Outcomes Guide #4

Course Title: TRK 112 Introduction to Pre-Trip Inspections

Course Instructor(s): Staff

Programs: Commercial Vehicle Transportation

Expected Learning Outcomes

- Complete Pre-Trip Inspection
- Identify individual systems on CMV
- Complete Air Brake Inspections

Assessment (How do students demonstrate achievement of these outcomes?)

- Students are required to successfully complete three pre-trip inspections on a cmv

Validation (What methods are used to validate your assessment?)

Students are required to apply classroom knowledge in the inspection process of commercial motor vehicles as per D.O.T. regulations

Results (What do the data show?)

- 100% pass rate

Follow-up (How have you used the data to improve student learning?)

Inspection procedure is a federal requirement for licensure (CDL)
The pre-trip inspection changes as new DOT laws are implemented

Budget Justification

(What resources are necessary to improve student learning?)

Classrooms
Commercial motor vehicles
Commercial driving range
