Minutes:

1. Our movie night will be next Tuesday, April 12th, 2016 at 6:30pm. There is a movie night flier that has been sent out to club members and they can print it out to distribute. The club will pray that we get a lot of attendance at this event and that the movie will touch many hearts! Help is needed a half-hour or so before the start of the movie to help set-up. Brett and Laura will be introducing our club and the movie night in general. Also, we will have a prayer box available, and we will be accepting donations for HCC's food bank during the event. Hope to see you all there!

2. Exciting news!! We will start having prayer sessions in the Student Center every other week--although there is not much time left in the semester, we should be able to continue with our prayer sessions in the fall. We are going to have a table set-up in the front lobby of the Student Center on the same day as our movie night on Tuesday, April 12th, 2016. We are offering to pray with students who ask for prayer, and our prayer box will be available for students to offer their requests. Mariah, Claire, Laura, and Sarah have indicated that they can be there to talk/pray with the students. We are pursuing having our Digital Printing & Design Center on campus produce a "God Answers Knee-Mail" graphic vinyl sign for use at the prayer table area. Also, we will have prayer labels and cards for anyone to take. It is hoped that the second and final prayer session will be 4/26 (also a Tuesday) 2:30-3:30 p.m. but since that is finals week, it is not definite. Pray that our prayer sessions reach out to students and help them grow in their faith with Jesus!

3. With the semester ending, we only have one more club meeting which is on Tuesday, April 19th, 2016 from 2:30pm to 3:30pm.

4. Finally, we talked about ways we can guide others in their path with Christ. Sometimes, it is hard to reach out to others about our faith. However, simple things such as leaving a prayer card in the hallway, inviting someone to church, and offering to pray with another person will make a difference in people's lives. These are just a few ways we can start to spread the word! As a club starting next semester, we are going to start thinking about ways we can reach out to others about our faith. If you have any ideas, let me know, and start thinking about it this summer!
