Welcome to Hagerstown Community College's Continuing Education and Workforce Development. If you're not seeking a degree but instead want to upgrade your skills to begin or advance your career, need recertification to maintain a license, start your own business, develop a new hobby, or simply learn something new and interesting to enrich your life, then you've come to the right place.

Each year HCC serves 7,000 Continuing Education students like you who are taking courses for both business and pleasure. As you look through this fall schedule of courses, you will find a variety of offerings designed to meet the demand of the local community for both workforce development and personal enrichment.

To help improve our classes and customer service efforts, many of you participated in a short survey this summer. And now you can connect with us on Facebook to share your thoughts about our programs and tell us what other courses you would like us to offer. This schedule includes many new courses that were developed based on feedbacks from our students.

Fall is traditionally "back to school time" when people want to learn something new. I invite you to page through this schedule and find something perfectly suited to you! You may be interested in starting or changing careers, obtaining recertification for your occupation, pursuing a new hobby, or going on one of our guided trips. Whatever your motivation, I'm sure you'll find something in these pages.

Theresa Shank
Dean of Continuing Education and Workforce
Development

P.S. Don't forget to look for your Golden Ticket,
a \$100 value!

The cover photo features Kelly Tracey who has taught the Veterinary Assistant course at Hagerstown Community College since 2003. She is a:

- 1998 graduate of Wilson College with a BS in Veterinary Medical Technology and Biology
- 1998 Board Certified Veterinary Technician
- PVMA member
- Member of the Board of Directors for Humane Society of Washington County
- In her free time she is an avid equestrian and owner of Tracey's Quarters.

Professional Pet Groomer Training August 2017 – December 2017

Professional Pet Groomer Training is a series of three courses totaling 115 hours of training. Students must complete all three courses in order to receive a certificate of completion. Certificates are not awarded for individual courses. Limited enrollment.

Principles of Professional Pet Grooming

This course is the first of three courses needed to complete Professional Pet Groomer Training. Students must also complete Professional Pet Groomer Practices Part I and Part II. This course covers the fundamental principles and terminology of pet grooming including grooming equipment, animal behavior and handling, dog anatomy, breed classes, CPR, cat review, hair and skin disorders, and familiarization with grooming room

set-up. This course is a prerequisite before clipping in Professional Pet Groomer Practices, Part I. (Textbook included in the material fee). Students must purchase approximately \$100 - \$200 worth of equipment on their own.

Class Limit: 10.

Fee: \$570

Course #: PET 011 B

Tuesdays and Thursdays 5pm-8:30pm • 8/8/17-9/7/17

Main Campus–Career Programs Building/ Central Dawgma

Professional Pet Grooming Practices Part I

Pre-requisite–Principles of Professional Pet Grooming – no exceptions. Students begin hands-on training. Bathing and brushing techniques and easy breeds for grooming. The course is held at Central Dawgma 1337 Pennsylvania Ave., Hagerstown, MD 21742. The material fee includes the use of dog grooming stations. Students must purchase \$300 - \$400 worth of equipment on their own prior to the second class. The course includes 11 classes of hands-on practice.

Class Limit: 10

Fee: \$951

Course #: PET 014 C

Tuesdays and Thursdays 5pm-8:30pm • 9/19/17-10/24/17

Main Campus–Career Programs Building/ Central Dawgma

Professional Pet Grooming Practices Part II

Pre-requisite–Professional Pet Grooming Practices Part I–no exceptions. Students continue hands-on training with complex breeds and techniques. The course is held at Central Dawgma 1337 Pennsylvania Ave. Hagerstown, MD 21742. The material fee includes the use of dog grooming stations. Students must purchase approximately \$200 worth of equipment on their own prior to the second class. The course includes 10 classes of hands-on practice and one lecture class with guest speakers.

Class Limit: 10

Fee: \$1201

Course #: PET 015 E

AMERICAN MANAGEMENT ASSOCIATION

American Management Association (AMA) courses are nationally recognized for their comprehensiveness and value. HCC instructors use AMA textbooks as the foundation and draw on their own expertise and experience to present material in the most timely and relevant manner. These courses are designed to help you become more effective in your present position and better prepared for advancement opportunities.

Certificate for 2017

AMA Certificate in General and Human Resources Management

This 49-hour program gives managers the skills to lead and supervise a team, as well as the basic principles of human resources management required for all supervisors to stay compliant with current HR laws and best practices.

The AMA certification program at HCC is self-directed. Students complete courses as time and funding permit. Courses are offered several times throughout the academic year and can be taken as a series, or individually. Certification is earned when the student completes all seven courses.

See next page for details.

For more information please visit www.hagerstowncc.edu/ama

AMA Training

AMA General and Human Resources Management Certificate

This 49-hour program gives managers the skills to lead and supervise a team, as well as the basic principles of human resources management required for all supervisors to stay compliant with current HR laws and best practices. This section includes the following seven courses at one low price (\$393 savings)

Total: \$1350 — Senior Total: \$1005

PRD-570-C	Th 8:30AM–4:30PM	Sep 28 – Nov 09
A. Kostreski, D. Hartman, M. Waltemire VM 3		

Communication Skills for Managers

Communication is a critical skill for successful managers in all industries. Learn how to clearly deliver your message through the many forms of business communication: written, spoken, in person, and email. Identify their communication styles using the DISC assessment, understand and apply the four workplace communication styles, learn how to create safety for the person hearing the difficult message, and learn the five strategies for managing conflict.

Total: \$249 — Senior Total: \$213

PRD-429-C	Th 8:30AM–4:30PM	Sep 28
A. Kostreski VM 3		

First Line Supervision

This course walks students through the transition from staff to supervisor and is the ideal resource for the new supervisors. Learn to get more done by motivating staff and turning your direct reports into team players. Students will increase their confidence, leadership skills, and job satisfaction by identifying the roles, competencies, and qualities of effective supervisors. Learn to build personal credibility and commitment from others, understand how to build a positive work environment and motivate employees, and practice delivering positive and instructional feedback.

Total: \$249 — Senior Total: \$213

PRD-555-D	Th 8:30AM–4:30PM	Oct 05
D. Hartman VM 3		

Coaching for Top Performance

Workplace coaching is an essential skill for all managers in today's workplace. Ineffective managers gain their power from position and organizational

hierarchy, while highly effective managers gain their power from motivating, encouraging, and coaching employees to perform at their highest levels. This course uses the American Management Association's Coaching for Top Performance manual and will help you practice highly effective workplace coaching skills.

Total: \$249 — Senior Total: \$213

PRD-554-D	Th 8:30AM–4:30PM	Oct 12
M. Waltemire VM 3		

Fundamentals of Human Resources

The nature and role of Human Resources (HR) has changed dramatically over the last few decades. This course will help you identify the role of HR management in your organization, and acquire the fundamental knowledge and skills needed for HR management.

Total: \$249 — Senior Total: \$213

PRD-700-D	Th 8:30AM–4:30PM	Oct 19
D. Hartman VM 3		

Fair, Square, and Legal: A Manager's Guide to Safe Hiring, Managing and Firing Practices

Do you know what to do to protect your business, your employees, and yourself from legal liability? This course covers everything you need to know to safely hire, fire, and manage your staff. This course uses easy-to-follow guidelines to help you hire the best employees, manage your staff effectively, and, when necessary, terminate employees without legal ramifications.

Total: \$249 — Senior Total: \$213

PRD-506-D	Th 8:30AM–4:30PM	Oct 26
D. Hartman VM 3		

Leadership Skills for Managers

Managing in today's dynamic, diverse workplace demands a new type of leadership. Leaders are asked to be visionaries, change agents, and coaches. This course outlines the skills necessary for individual and organizational success, including fostering collaboration and trust, challenging existing procedures, managing change, and building the five components of emotional intelligence. Students will identify and practice the attitudes and mindsets of effective leaders and understand why some leaders fail and others succeed.

Total: \$249 — Senior Total: \$213

PRD-675-E	Th 8:30AM–4:30PM	Nov 02

Business Seminars

Finding Your Funding: Identifying & Applying for Grants

Grant seeking is essential to the growth and survival of any entrepreneurial pursuit, and yet it is often pursued with great trepidation and no small amount of anxiety. The good news is that composing a high-quality grant application is a skill that can be learned and mastered using tools found in every entrepreneur's tool box. This course is designed for individuals and organizations seeking to grow and sustain their business through grants and will provide them with the knowledge and resources to find grant opportunities. The course will also lead them through an interactive exercise in gathering and preparing the standard components of most grant applications.

Management 2.0

Certificate Program New for 2017

The demands on managers today require expertise in communication, problem solving as well as leadership skills in order to remain competitive and ready for the next career challenge.

This 32 hour program consists of four courses will take your management career to the next level. Course instructors are experienced trainers in their areas of interest and bring relevant work experience into the classroom.

This 32 hour program seeks to elevate the skill level of managers and supervisors in today's workplace.

The Management 2.0 certificate consists of the following 8 hour courses:

- **DISC for Supervisors:** learn which communication style is most effective for you
- **Emotional Intelligence:** discover your capacity for empathy, self-awareness, and motivation
- **Corrective Discipline/Performance Appraisal:** learn to strengthen your work relationships through one on one communication
- **Energy Leadership:** find the key to your individual style of leadership

Students wishing to earn the Management 2.0 Certificate can enroll in the series of four classes and receive a substantial discount.

Students can also enroll in the individual class.

How to start and manage your own business

According to a recent study by the Small Business Administration (SBA), in any given year about 7% of the US working age population is actively engaged in efforts to start a business. This is the American dream. Many people aspire to become entrepreneurs but don't know how or where to begin. Developed and taught by a panel of SCORE counselors and local business professionals with direct, small business experience, this workshop provides strategies and insights on how to get started and how to sustain commercial momentum. The curriculum for this course is designed to help the budding entrepreneur understand the practical aspects of basic business principles, vitally important to both start-up and newly established enterprises – organization, sales, marketing, accounting, finance, legal, insurance, social media, and business planning. A workbook is included.

You can register by calling 240-500-2236, or by
visiting www.hagerstowncc.edu/coned.
For further details call 301-991-3126.

Fee: \$79

Getting Connected with Social Media

12 hour certificate program

This course is designed for anyone wanting to learn to use social media for professional networking and business marketing opportunities.

Explore which social media platforms are right for your professional goals including:

- Facebook
- Twitter
- LinkedIn

In this course participants will learn to:

- Set up and navigate social media platforms
- Post and update relevant material strategically
- Engage and connect with customers, friends and family.

Participants will practice posting pictures, comments, tweets and links to pages and accounts, discover how to create a 'closed group' within Facebook for short-term event planning or volunteer purposes (i.e. reunions, celebrations, non-profit event campaigns or activities). Participants will also learn how to ensure privacy and security while using social media platforms.

Successful students in this course are those with basic computer skills and who have a working knowledge of the social media platforms.

Getting Connected With Social Media: PRD 613D

CDL Class B Training

Prepare for your Class B CDL license and develop the skills to drive a dump truck, commercial delivery truck, passenger bus or other vehicle weighing over 26,000 pounds. Defensive driving, road safety, pre-trip inspections, plus vehicle control and maneuvering are all part of the course at our professional truck driving range. Includes skills/road test in your state of licensing (MD, PA, or WV). Applicants must complete a screening process and have a current DOT physical and a Class B Learner's Permit with Air Brake/Passenger endorsement. (No textbook required)

Total: \$1758 — Senior Total: \$1158

TDV-008-C	Sa 8:00AM–4:00PM D. Mitchell	Sep 16 – Oct 28 IND 200
-----------	---------------------------------	----------------------------

Motorcycle Repair

You can master the fundamental concepts and skills to keep a motorcycle running smoothly. Setup your own motorcycle garage with the right tools to perform basic inspections, troubleshooting, and maintenance. Hands-on lab projects will include tune-ups, fastener servicing, fuel systems, basic electronics, batteries and charging systems, and engine condition diagnosing without teardown. Information also relates to servicing ATV's and scooters. (Textbook required)

Total: \$283 — Senior Total: \$158

MST-002-C	TuTh 6:00PM–9:00PM Sa 9:00AM–3:00PM D. Goldman	Sep 12 – Oct 12 Oct 07 – Oct 14 CPB 230
-----------	--	---

Small Engine

Small Engine Repair

Whether for fun or profit, you can service small engines found in lawn equipment, motorboats, snow blowers, or garden equipment. Hands-on shop activities and expert instruction will introduce you to the principles of two-cycle and four-cycle engine operation, fuel and exhaust systems, ignition components, lubrication systems, and cooling systems. A list of tools needed will be distributed at the first class and appropriate safety clothing is required for shop activities. (Textbook required)

Total: \$198 — Senior Total: \$132

Become a Forklift Operator or Commercial Truck Driver

Transportation and distribution companies have a constant demand for qualified employees. HCC's short-term career pathways can help you prepare for a better job and higher pay.

Distribution Center Training – Train as a forklift operator and material handler including onsite visits to local distribution centers. Understand your role in keeping materials moving and creating a smooth warehouse operation. Includes OSHA forklift safety card.

Commercial Driver Training – HCC's professional driver programs prepare you for CDL A or CDL B licensing. Grant funding includes partial tuition plus assistance with pre-CDL fees including DOT physicals and Learner's Permit.

To apply for grant funding and for more information on pathway schedules, complete the online application at www.hagerstowncc.edu/earn or call 240-500-2236.

"This project was funded in whole or in part by funds received from EARN Maryland, a Grant program of the Maryland Department of Labor, Licensing and Regulation."

MOVE Intro to Logistics/Distribution

Warehouse and distribution facilities provide growing employment opportunities that require a skilled worker and a commitment to success. Improve your chances for a successful career with training on pallet jacks, forklifts, and material handling techniques. Develop the proper skills while focusing on workplace safety based on OSHA standards.

Total: \$353 Note: Fee reduced to MD Residents approved for the MOVE EARN Grant

Online Technical Training

Build your qualifications for a rewarding career in technology. Earn a certificate in these areas of industrial technology:

- Robotics Technician
- Electronics Technician
- Electromechanical Technician
- PLC Technician

Each technician certificate program enriches your skills and knowledge in design, programming, installation, operation, maintenance and troubleshooting industrial electronics, robotics and PLC equipment. The self-paced distance education alternative provides you with practical know how and technical skills needed to become more employable and successful in your field.

BLS

BLS Certification

The American Heart Association Basic Life Support (BLS) for Healthcare Providers (HCP) (C) is a classroom course that is designed to teach a variety of healthcare professionals how to recognize a number of life-threatening emergencies, how to provide CPR, how to use an AED and how to relieve choking in a safe, timely, and effective manner. This course is for healthcare professionals who must know how to perform CPR, as well as other lifesaving skills, in a range of in-hospital and out-of-hospital settings. Textbook cost is included in the BLS full course fee. AHA requires each student to have a textbook available before, during and after the course. Students must pass a written exam and skills test in order to receive an AHA BLS for Healthcare Provider (C) course completion card. American Heart Association guidelines require that classes run within a specified time period. Please be aware that failure to arrive for class on time may result in having to reschedule for a later date.

Nurse Refresher Screening
BEFORE registering for
Nurse Refresher I Classroom Theory
(NRS 988 J)

Nurse Refresher Course

This course is a three-step series designed for Registered or Licensed Practical Nurses to reinstate an inactive Maryland nursing license and consists of a hybrid class with 40 classroom hours and online course work totaling 80 hours of content. Areas of concentration include: delivery of care utilizing the nursing process; medication calculation and administration; adult medical/surgical nursing; and current issues, trends, and nursing practice. Students are expected to complete assignments on a weekly basis for the online component. Successful completion requires an 80 percent or higher average score on four exams and completion of 10 weekly assignments with an average score of 80 percent. There is a required textbook, the cost of which is in addition to the class totals. ISBN 9780328524

Prior to beginning the Clinical Practice component, students must:

- Possess an active, inactive, or temporary Maryland nursing license (RN or LPN) or one from a compact state.
- Provide documentation of a physical exam (signed by a medical provider - MD, PA, or NP) within 12 months of the start date of clinical practice.
- Have a current Basic Life Support Health Care Provider CPR Card issued by the American Heart Association (AHA). Provider courses and recertification courses are available at HCC.
- Provide medical documentation or waivers of the following vaccinations: MMR or titre, Varicella or titre, Tetanus, Hepatitis B series, and negative TB test (PPD or Chest X-Ray) – TB results should be within the past 12 months of the start date of Clinical Practice.
- Criminal Background Check – completed with Nurse Refresher Screening

The Nurse Refresher Course will take 16 weeks to complete.

- Step 1 is 10 weeks of theory, one classroom day per week & online assignments.
- Step 2 consists of 12 hours of skills labs Friday evening/Saturday.
- Step 3 consists of 60 hours of clinical hours with a preceptor.

Step 1: Nurse Refresher I Classroom Theory (NRS 988 C)

Mon 6 p.m. – 10 p.m. Sept 11 – Nov 22 CPB 125

Total: \$703 Sr. Total: \$409

- ✓ Consists of 80 hours of theory presented in classroom, online learning, and assignments with the following areas of concentration:
 - o Delivery of nursing care utilizing the nursing process
 - o Adult Medical/Surgical Nursing
 - o Current issues, trends, and nursing practice
- ✓ A learning portfolio is created during the course.
- ✓ Successful completion includes the learning portfolio, weekly quizzes greater than 80 percent, participation in online discussion weekly and 80 percent or higher on the average of four exams spaced through the course.

Step 2: Nurse Refresher Skills Lab (NRS 094 D)

Fri. Oct 20 6 p.m. – 10 p.m., and Sat. Oct 21 9 a.m. – 5 p.m. CPB 151

Total: \$394 Sr. Total: \$258

- ✓ Students will be provided all supplies required to review, practice, and demonstrate mastery of 12 nursing skills needed to provide nursing care in a state of the art simulation lab.
- ✓ Bring your own stethoscope.

Step 3: Nurse Refresher Clinical (NRS 743 E)

Nov 27 – Jan 25

Total: \$275 Sr. Total: \$144

- ✓ Step 1 and Step 2 are prerequisites.
- ✓ Students must complete 60 clinical hours at an approved site.
- ✓ All requirements listed must be met before starting clinicals.

Health and Wellness

Principles of Meditation-A Joyous Peaceful Way of Life

Students will explore different types of meditation, as well as the purpose of each style. The practice of meditation is ancient, coming from many different cultures around the world. Meditation can enrich your life experiences and expand your horizons. Meditation can help build resilience, maintain concentration, restore balance, help with anxiety, improve thought patterns, and create sustainable change while restoring peace and balance to your life. Whether you are a beginner or experienced, this course will help you establish a firm foundation in your meditation practice.

Mind Body

Beginning T'ai Chi (easy T'ai Chi Primer Form)

This beginning course in T'ai Chi Ch'uan is designed especially for the novice and for seniors who wish to learn and practice a simplified version of this profound art form. In this class, the art of T'ai Chi is taught as a holistic exercise that promotes health, improves balance, and enhances mind-body awareness. Step-by-step instruction is provided in an easy-to-learn primer form of less than 20 movements selected from the Yang and Wu styles of T'ai Chi. The movements of T'ai Chi are

circular, soft, and flowing, and are performed slowly with concentration and control. In beginning T'ai Chi, the participant can return again and again to the same class or use the lessons as a foundation if they wish to pursue continued studies of T'ai Chi at an intermediate or advanced level. Wear comfortable clothing and flat-soled shoes. Exclusions apply for pregnant women and those with moderate to severe osteoarthritis in the knees.

Intermediate T'ai Chi (Authentic Northern Wu Style)

This intermediate-level course features the authentic Northern Wu style T'ai Chi Ch'uan that was passed down via the late Grandmaster Wang Peisheng of Beijing, China. This class is suited for those continuing on from beginning T'ai Chi and for those who are ready from the start to experience a more challenging method of T'ai Chi Ch'uan practice. Step-by-step detailed instruction will be given in the movements and principles of the 37-posture Wu style T'ai Chi form. No previous experience with T'ai Chi is required if you are in good health and feel you are ready to begin your T'ai Chi experience at an intermediate level. Those who have taken one or more semesters of the beginner's T'ai Chi course, and those who have practiced other T'ai Chi styles, are welcome. Wear comfortable clothing and flat-soled shoes. Exclusions apply for pregnant women and those with moderate to severe osteoarthritis in the knees.

Learn to Sew Part I

Are you an aspiring fashion or interior designer? Do you want to live a more simple or frugal lifestyle by creating your own clothes and decor? Jump into your first sewing project while learning how to choose fabrics, take measurements, sew by hand, and use and maintain your machine. No experience required! In five short weeks you'll begin to master the techniques needed to create simple garments or home decorating projects from commercial patterns. Required: a pair of sewing scissors, pins, a measuring tape, The Singer Complete Photo Guide to Sewing, and your own sewing machine. Finish your project and add even more skills to your sewing box in Learn to Sew Part II.

A History of Fashion: The Interweaving Of Clothing and Culture

Have you ever wondered how fashion and clothing evolved from animal skins to the styles and fabrics we see today? The fascinating history of clothing goes beyond the practical aspects of protecting ourselves from the elements. Intertwined with this history are clothing as a status symbol, early methods of espionage, the technology of textile production, global climate change, and how politics has influenced fashion. You will also explore the darker side of fashion from different eras and cultures, from foot binding and excessive corseting to the use of lead in cosmetics.

Hisory and Culture

Instructor Bio—Roger Swartz
Roger Swartz is a nationally acclaimed author and historian. Program sponsors have included: Smithsonian Associates, the Smithsonian; Mount Vernon Estate, and Historic Bartram's Gardens in Philadelphia.

Colonial Williamsburg History, 1705-1779

Williamsburg was the political, cultural, and educational center of the largest, most populous of the 13 original British colonies. In this program, you'll learn why Williamsburg replaced Jamestown as Virginia's colonial capital, and why Richmond replaced it as a state capital. We'll discuss Williamsburg's distinctions from northern colonial capitals in the 1700s and see how classical republicanism was imbued in its government and society. Finally, we'll discuss the relationships of the capital to major 18th century events, including the French & Indian War and the American Revolution, and founding fathers Washington and Jefferson. You can also sign up for our day trip to Colonial Williamsburg on November 29 to experience history first-hand!

Total: \$29

-----------	--------------------------------	----------------

Falling Fortunes: Washington and the New York Campaign of 1776

"We expect a very bloody summer at New York... and I am sorry to say that we are not, either in Men or Arms, prepared for it." These were the words of George Washington to John Augustine Washington on May 31, 1776, prior to the six battles of the New York City (and environs) military campaign of 1776 during the American Revolution. Investigate the major events and outcomes and assess British and Patriot leadership as you discuss each battle. In addition, you'll examine how the campaign transformed both the natural and man-made environment of New York City. Learn about the appearance of the first submarine, the failures of Nathan Hale's espionage mission and the lessons learned from it, as well as British peace overtures. Compare these events to modern-day sites such as Times Square, Columbia University, the New York Public Library, etc. Finally, explore how the campaign offers historical contrast to the mythology of the "Spirit of '76", prevalent today.

Total: \$105 — Senior Total: \$65

-----------	--------------------------------	-------------------------

Hamilton and Burr

Have you ever wondered how two prominent politicians, Alexander Hamilton and Aaron Burr, found themselves staring down the barrel of each other's gun in a duel in 1804? How did they get here? Who were these men on a personal level, what lives did they lead, and what were their political philosophies? You'll discover the answers to these questions and more as you dive into the political rise and fall of both men and the reasons for their duel, including the Manhattan Company of New York City. You'll also learn the rules of the "code duello" and find out what happened in Burr's post-duel life, including the impeachment trial of Associate Justice of the Supreme Court, Samuel Chase of Maryland, and his trial for treason in 1807.

Total: \$105 — Senior Total: \$65

Money Matters for Millennials

Build the life of your dreams, whether it involves traveling to far-flung places, starting your own business, raising a family in a house with a white picket fence, alleviating poverty and hunger around the world, retiring early, or all of the above. To reach your dreams, whatever they may be, you'll first need to master the realities of making and sticking with a budget, saving for major purchases, investing for the future, and building good credit. Don't let financial concerns derail your path to world domination... or, um... a lovely home with a white picket fence, two kids, and a dog. Register today to get practical tips and tools to make your money work for you, so you can 'adult' like a boss!

Music

Beginning Bluegrass Banjo

Do you enjoy the traditional bluegrass tunes of Earl Scruggs and the Stanley brothers, folk rock artists like B2la Fleck and Mumford & Sons, or the 'newgrass' sounds of Nickel Creek, Punch Brothers, and Yonder Mountain String Band? They all had to start with the basics - and so can you! Learn to pick and strum traditional bluegrass tunes in this class for beginning banjo players with little or no prior experience. You'll learn to play by ear, without music or tablatures.

.....
Instructor Bio - Jody White

I started my dancing career at a large franchise in 1997. I then moved on to study ballroom dance at Brigham Young University and taught as an independent instructor for several years. Since 2010, I've become professionally certified through Dance Vision International Dance Association and I'm currently adding to my list of professional dance certifications. I continue to teach using the excellent DVIDA system and specialize in social dancing, event preparation and American Rhythm dances. I love working with beginners of all ages and look forward to introducing you to the magic of ballroom dancing!

.....

Beginning Classical Ballet

There is no better way to appreciate the art of classical ballet than to try it yourself. This beginner's level class will strengthen your body, increase your flexibility, and give you a much richer appreciation of ballet as a viewer.

Registration Information

Registration is Easy

Registrations will be accepted through the first day of class if space is still available. However, we encourage you to SIGN UP EARLY.

To register in-person:

Visit the HCC registration office in the Administration and Student Affairs Building on the main campus.

11400 Robinwood Drive Hagerstown, MD 21742

Business Hours:

- Monday and Thursday 8:30 a.m. – 6:30 p.m.
- Tuesday, Wednesday and Friday 8:30 a.m. – 4:30 p.m.

Visit HCC's satellite location at:

14301 Valley Mall Road, Suite 455 Hagerstown, MD 21740

Business Hours:

- Monday through Thursday - 8:30 a.m. – 9 p.m.
- Friday - 8:30 a.m. – 4:30 p.m.
- Saturday - Selected Hours

To register by phone:

You may register by phone by calling 240-500-2236. Registrations may be accepted by phone when paying with a credit card.

To register through WebAdvisor:

- www.hagerstowncc.edu/coned/web-advisor
- Register online for your courses. Follow the step-by-step tutorials on the WebAdvisor page.

Classes are constantly being added. Check the website for the most current listings.

For Additional Information

For Out-of-County and Out-Of-State Students

1-866-422-2468

HCC Valley Mall Fax Number

301-582-4001

CE E-Mail Address

ceregister@hagerstowncc.edu

HCC Campus Store

240-500-2271

Call for Special Evening Hours

Textbooks may be purchased in the HCC Campus Store or through the online bookstore.

Books and materials may be returned for a cash refund or exchanged when accompanied by the original cash register receipt. Books must be returned in original condition by the second class. The Bookstore Refund Policy is posted online at www.hagerstowncc.edu/campus-store.

Birthdate and Social Security Number

Your social security number and birthdate are requested on our registration form for use as student identification numbers to help us avoid duplicating records and mailings. It is for internal use only and remains confidential. Your birthdate is required by the Maryland Higher Education Commission.

Tuition and Fees

Any Maryland resident 60 years of age or older and who enrolls in a Maryland funded course is exempt from payment of tuition but must pay the \$35 fee (or higher fee if indicated in the course description) and any other applicable fees. Tuition does not include any fees or cost associated with a self-supporting program.

All students who enroll in continuing education classes which are not eligible for state funding shall pay full tuition and fees.

All students registering for an open enrollment course shall pay an \$8 registration fee. Checks should be made payable to Hagerstown Community College. There will be a returned check fee of \$35 for checks returned for insufficient funds.

For information concerning tuition assistance for individuals with disabilities, please call 240-500-2273.

Admissions

Anyone 16 years of age or older is eligible for admission (unless specified otherwise).

Registration Confirmation

You will receive confirmation of your registration. Attend class on the date and time indicated.

Course Cancellations

Each non-credit class requires a minimum number of enrollees to run. The decision to hold or cancel a class is made, in most cases, three business days prior to the start of the class. The college, however, reserves the right to cancel a class at any time due to unexpected circumstances.

Refund Policy

A full refund will be granted when a class is filled or cancelled. A refund will be given when a student withdraws from a course, subject to the following limitations:

- Withdrawal prior to second class – 100% of fee will be refunded.
- Seminars or one-day classes must be dropped 24 hours in advance to receive a 100% refund.
- Refunds for all trips are subject to availability based upon agreements with all vendors. Please call the Continuing Education Department for more information.

Employer's Tuition Assistance

If your employer is paying for your course, we must receive a purchase order or a letter on company letterhead along with your registration form. The purchase order or letter must state what the employer is paying (i.e. tuition, material fee), your name, and the course(s) in which you are enrolling. Registrations will not be processed without this paperwork. If the employer is paying for your textbook, a separate letter or purchase order must be submitted to the Bookstore at the time of purchase.

ed2go Online Course Registration Information

Online courses offered by HCC can be attended based on your personal schedule, day or night. New classes start on the second Wednesday of each month with two lessons posted each week.

Print the online registration form and forward it along with your payment to the Hagerstown Community College, Continuing Education Registration.

If you have additional questions, you can also e-mail our student liaison at online@hagerstowncc.edu.

College Holidays

- September 4, 2017 – Labor Day
- November 22, 2017 – College Closes at noon
- November 23-24, 2017 - Thanksgiving
- December 22, 2017-January 1, 2018 – Winter Break

Parking

Display the confirmation letter on your car's dashboard to serve as your parking permit when attending classes on the HCC campus. Parking for seminars is in Lot F. Parking for other courses is available in the student lots.

Use of Cell Phones During Class

Cell phones should be turned off or set to silent when class is in session. Calls must not interrupt the class. If students have to make or take calls on an emergency basis, please step out of the classroom to do so in order to minimize the disruption.

Emergency Closing

In case of severe weather or other emergency conditions, you should check HCC's website (www.hagerstowncc.edu) or Facebook page (www.facebook.com/hagerstowncc).

We will not necessarily close when the public schools do. When the public schools are closed due to weather or emergencies, all classes at public school locations are cancelled. When the college closes, all classes at off-campus sites are canceled.

Classes canceled due to inclement weather or emergencies will be made up.

Non-Credit/Credit Shared Courses

Selected courses may be taken for either academic credit or a non-credit basis. Should the student desire to transfer from non-credit to credit, the student must transfer by the second week of class. In order to transfer from non-credit to credit, the student must first drop the course through Continuing Education and then register in the Registrar's office. Students who have completed the non-credit course will receive a Certificate of Completion but will not be awarded college credits and may not earn college credit for the credit course by exam.

Certificate/CEU Information

Students do not receive grades for Continuing Education courses. Some non-credit courses offer Continuing Education Units (CEUs). You must inform the instructor if you need CEUs.

Code of Student Conduct

Hagerstown Community College has established rules of behavior that must be followed so that the teaching/learning process is not disrupted. A copy of the student handbook is available in the Student Activities Office.

Smoking Policy

Hagerstown Community College is committed to providing a safe and healthy working and learning environment for students, faculty, staff, and visitors. Effective January 1, 2015, HCC will be a tobacco-free campus. The Tobacco-Free Policy applies to all Hagerstown Community College facilities and vehicles, owned or leased, regardless of location. Smoking and the use of tobacco and e-cigarette products will not be permitted on any HCC property, including all buildings and facilities, walkways, recreational and athletic areas, building entrances, and parking lots. This policy applies to all students, faculty, staff, and other persons on campus, regardless of the purpose of their visit. To learn more, visit www.hagerstowncc.edu/tobaccofree

Equal Opportunity College

Hagerstown Community College does not discriminate against any individual for reasons of race, sex, color, religion, national or ethnic origin, age, sexual orientation, or conditions of disability in the admission and treatment of students, education programs and activities, scholarship and load programs, hiring of faculty and staff, or any terms and conditions of employment. The college is committed to affirmative action.

Individuals requiring special accommodations are requested to contact the Office of Student Services at 240-500-2240 to make arrangements no later than 10 days prior to the meeting or course
