HCC offers high-quality education at a great price

- New Student Center HCC's newly renovated and expanded Student Center is now open. It is home to Student Services, Student Activities, and expanded dining and meeting spaces for students.
- Quality Instruction HCC faculty have advanced degrees and training or industry experience in their fields of expertise. HCC recently met all 14 standards of excellence in its review by the Middle States Commission on Higher Education.
- Affordable Tuition Students at HCC save an average of \$20,000 on the first two years of college.
- Career-Focused and Transferable Programs -HCC prepares students for careers that are in demand, through degrees, certificates, and letters of recognition, as well as transfer to four-year schools.
- Credit for Prior Learning Students can earn credits for prior traditional and nontraditional education (military training, standardized exams, and prior learning assessment).
- Online Programs and Courses HCC continues to add more online classes and now offers several degree and certificate programs that can be finished completely online. (Look for the computer icon by online courses and programs.)
