HCC offers high-quality education at a great price

- Quality Instruction HCC faculty have advanced degrees and training or industry experience in their fields of expertise. HCC has continuously met all 14 standards of excellence in its review by the Middle States Commission on Higher Education.
- Affordable Tuition Students at HCC save an average of \$20,000 on the first two years of college.
- Career and Transfer Programs HCC prepares students for careers that are in demand, through degrees, certificates, and letters of recognition, as well as transfer to four-year schools.
- Promise Pathway Program This new program offers financial assistance, beyond financial aid, to qualifying Washington County high school students to earn a college letter, certificate, or degree.
- Early College Through the ESSENCE Program and the STEMM Technical Middle College, HCC leads the state in the number of high school students (more than 900) enrolled at a Maryland community college.
- Learning Support Center This unique center is having a positive impact on student success rates and gaining recognition as an example of higher education best practices.
