4. Describe basic understanding of ethical/legal guidelines for healthcare practice.

### **Assessment**

Course completion: Number passing at 75% or greater

Course Outcomes: Common final exam for item analysis:

CO 1	Cultural uniformity
CO 1	Racial distribution in ethnic groups
CO 1	Characteristics of a culture
CO 1	Bias, prejudice
CO 2	Infectious body fluids
CO 2	Standard precautions
CO 2	Microorganism growth
CO 2	Chain of infection
CO 3	Competence of the elderly
CO 3	HIPAA
CO 3	Empathy
CO 4	Modern health care dilemmas
CO 4	State health professional standards

### **Validation:**

Completion of course with an average grade of 75% or greater

Common exam question accuracy rate of 75% or greater

### **Results – Hybrid Delivery (Section 01)**

Course Completion:

74% (14/19) completed the course with a grade of 75% or greater 6-A's, 5 B's, 3 C's

26% (5/19) completed the course below a 75% 4 D's, 1 F

**Course Outcomes:**

CO 1	Culture uniformity	83%
CO 1	Racial distribution in ethnic groups	83%
CO 1	Characteristics of a culture	83%
CO 1	Bias, prejudice	83%
CO 2	Infectious body fluids	67%
CO 2	Standard precautions	67%
CO 2	Microorganism growth	67%
CO 2	Chain of infection	67%
CO 3	Competence of the elderly	100%
CO 3	HIPAA	100%
CO 3	Empathy	100%
CO 4	Modern health care dilemmas	89%
CO 4	State health professions standards	89%

**Results – Lecture Based (Section 02)**

**Course Completion:**

100% (10/10) completed the course with a grade of 75% or greater 5-A's, 4-B's, 1-C

0% (0/0) completed the course below 75%

**Course Outcomes:**

CO 1	Culture uniformity
CO 1	Racial distribution in ethnic groups
CO 1	Characteristics of a culture
CO 1	Bias, prejudice
CO 2	Infectious body fluids
CO 2	Standard precautions
CO 2	Microorganism growth
CO 2	Chain of infection
CO 3	Competence of the elderly
CO 3	HIPAA
CO 3	Empathy
CO 4	Modern health care dilemmas
CO 4	State health professions standards

**Course Outcomes:**

CO1	Demonstrate an understanding of ethnic, cultural and racial differences related to health care	90%
CO2	Demonstrate a basic understanding of infection control	88%
CO3	Recognize the basic concepts of communication professionally in health care	100%
CO4	Describe the basic understanding of ethical/legal guidelines for healthcare practice	95%

**Number of students assessed:** 10

**Follow-up:**

This instructor is teaching her first semester at HCC. The professor has successfully be able to guide students to an understanding and demonstration of various aspects of health care in general. She does this various ways, such as mock interviews, scenarios, quizzes and in-class activities. She communicates with students constantly to help them achieve success. Spring 2019 semester will match the hybrid class but remain face to face.

**Budget Justification:**

None
