# Continuing Education & Workforce Development

Spring/Summer 2019

# REGISTER FOR CLASSES TODAY!

Summer is a time for kids to unwind from their chaotic school year schedule. However, it is also a time to enjoy learning about exciting, new things and develop new interests or hobbies. I remember spending a lot of my summers at the beach or hiking in the mountains. I love those memories! But, some of my fondest memories are from when I went to summer camps with other kids my age.

Hagerstown Community College is very excited to offer College for Kids camps this summer for the thirty-first year. We have camps for students entering second grade to rising high school seniors. These camps offer a great opportunity for your children to learn more about a topic of interest, explore a possible career, or just for enjoyment and fun.

What camps might interest your child? We have many new camps this summer, including:

- Adventures with the Magic Tree House
- Art Attack
- Backyard Ballistics
- Wicked: Beyond the Yellow Brick Road
- Amateur Chefs Cooking Academy
- and many more!

As a teacher for almost twenty years, I highly recommend the instructors and camps at College for Kids. My own daughter developed a love of College for Kids six years ago and has been attending every year since. This will be my second year as College for Kids camp director. I love the excitement I feel as the instructors develop curriculum, crafts, and activities, and as I see the children have fun and engage in thrilling activities.

If your child is a regular College for Kids camper, we would love to have them back. If you are new to College for Kids, this would be a great summer to try it out for a week or more.

Enjoy the rest of the school year and we look forward to seeing your family this summer!

# Are you ready for camp?

#### REGISTER

- Confirm your child meets the grade or age requirements for the class section selected. The grade listed refers to the grade your child will be entering the next school year.
- 2. Register
  - Online at hagerstowncc.edu/kids
  - By phone at 240-500-2236, extension I
  - By mail or in person (see registration form at back of schedule)
- 3. Use your child's name and birth date when registering, not your own.

#### **REQUIRED FORMS**

All health and student information will be collected by CampDoc. You must provide a valid email address when registering for a CFK course. Within a week of registering, look for an email from register@campdoc.com. All forms must be completed two weeks prior to camp. Students may be dropped without a refund if documents aren't completed.

- Returning campers must update and resubmit forms each year.
- Questions? Call 240-500-2480 or email cfk@hagerstowncc.edu.

#### CONFIRMATIONS

- Confirmation of registrations will be sent by mail.
- Check that your child is enrolled in the correct camp and week.

#### **FINAL STEP**

- One week prior to camp, you will receive an email containing a map with the location of your camp and where to check in on Monday morning.
- Note: Classroom locations can and often do change. Check the website before coming to campus for the most accurate location information.

#### SPECIAL ACCOMMODATIONS

If your child has a documented disability (learning, physical, psychiatric, medical, or behavioral) this must be disclosed on the health form. Someone from HCC's Disabilities Support Services (DSS) office will contact you prior to the start of class to discuss your child's needs and potential accommodations that may be necessary. If you have questions or need to contact the DSS Office, call 240-500-2273.

CFK-901-F	MTuWThF	4:30PM-6:00PM	Jul 29 — Aug 02 <i>CPB 232</i>
CFK-901-G	MTuWThF	4:30PM-6:00PM	Aug 05 – Aug 09 <i>CPB 232</i>

#### **Grades 2-3**

#### **Kitchen Chemistry**

"You'll be cooking up chemistry" in this highly motivating and creatively yummy chemistry experience. Investigate through cooking, stories, games, music, and experiments. Experiments and recipes do not involve a stove, oven, or open flame.

Total	:	\$ 1	8	9

CFK-006-A	MTuWThF R. Gilfus	9:00AM-4:00PM	Jun 17 – Jun 21 <i>CPB 210</i>
CFK-006-C	MTuWThF G. Hoover	9:00AM-4:00PM	Jul 08 – Jul 12 <i>CPB 210</i>

#### **Space Adventure**

Get ready to blast off into fun. Travel with us through the solar system to explore the planets, stars, sun, and moon. We will explore the solar system and learn about the NASA space program. Activities in this exciting adventure include solar system role play, model making, virtual trips through space, and much more.

#### Total: \$179

CFK-226-D	MTuWThF	9:00AM-4:00PM	Jul 15 – Jul 19
	E. Kehr		CPB 230

#### We Do Robotics, Do You?

Take me to your leader! Wait, you become the leader as you learn to create and program animated robots. Using LEGOs, a computer, and your imagination, plan and engineer a series of projects that show you have the stuff to become a future robot designer.

#### Total: \$189

CFK-237-A	MTuWThF 9:00AM—4:00PM <i>T. Shade</i>	Jun 17 – Jun 21 <i>LRC 257</i>
CFK-237-C	MTuWThF 9:00AM—4:00PM <i>K. Longerbeam</i>	Jul 08 – Jul 12 <i>LRC 257</i>
CFK-237-F	MTuWThF 9:00AM—4:00PM <i>K. Longerbeam</i>	Jul 29 – Aug 02 <i>LRC 257</i>

#### **Creatures of the Deep**

Embark on an undersea adventure and learn about amazing sea creatures and mammals that depend on the sea. Get a taste of chemistry as we test the differences between fresh and salt water. There will be hands-on projects, games, story time, music, and art.

Total: \$179

CFK-248-G	MTuWThF	9:00AM-4:00PM	Aug 05 – Aug 09
	J. Pfund		CPB 213

#### American Girls and Me

American girl fans, come enjoy exploring the history and culture of the American Girl book series while you right and share about yourself. You will make butter and bread like Felicity Merriman would have during the colonial times. Learn to dance the jitterbug like Molly in the 1940s. and be an aspiring journalist and report the daily scoop like Kit. Enjoy lively craft-filled days and top off the week with a fancy tea party in your finest dresses. Dolls are invited to attend the festivities.

Total: \$189

CFK-303-E	MTuWThF	9:00AM-4:00PM	Jul 22 – Jul 27
	M. Cullers		CPB 211

#### Super Heroes, Super Villains and Super You

Who's your favorite superhero? What bad guy do you secretly root for? If you could have a super power, what would it be? Spend the week exploring the fantastic worlds and abilities of well-known comic book heroes, their sidekicks, and their archenemies. Create your own super-hero character, costume, accessories, and world. Through fun and creative hands-on projects, we'll stop evil-doers in their tracks and make the world just a little more super, one hero at a time.

Total: \$179

CFK-304-F	MTuWThF	9:00AM-4:00PM	Jul 29 – Aug 02
	A. Durning		CPB 230

#### **Mad Scientist Training Academy**

Real science in a real lab! Investigations and experiments come alive as students engage in hands-on activities that ignite their curiosity about science. From elephant toothpaste to lemon volcanoes, students will be immersed in the process of science investigation. The week will culminate in a mini-science fair where students will show off their science lab skills as they conduct their favorite experiments and investigations from the week. Your little scientist won't want to miss it!

CFK-320-A	MTuWThF	9:00AM-4:00PM	Jun 17 – Jun 21
	E. Shank		STEM 313

#### Chocolate World

Do you like chocolate things? Then this class will be a sweet way to learn about the history of chocolate. We will learn how it started, how to make it, and the many purposes for chocolate. Come and have a sweet time learning about the world of chocolate in this course. We will explore through books, technology, and hands on activities.

Total: \$189

# Middle School Girls

Explore a STEM career at College for Kids for only \$8!

#### GIRLS EXPLORING MANUFACTURING

June 17-21, M-F, 9 a.m. to 4 p.m., Grades 6-8

People building things is what made America great. You can plan the next great idea and explore the world of manufacturing in a class that is fun and hands-on. See how 3-D printing can build a concept in hours or how a robot can solve problems and make manufacturing faster and safer. Advanced technology has made manufacturing a cool field that uses your imagination!

#### GIRLS EXPLORING MANUFACTURING: OVERDRIVE

July 15-19, M-F, 9 a.m. to 4 p.m., Grades 6-8

Did working with a robot whet your appetite for manufacturing? Did you really enjoy creating images and printing them in the 3D Printer? If so, Girls Exploring Manufacturing: Overdrive is for you. We will take your initial impressions of manufacturing into overdrive with advanced experiments, outside speakers, and tours to help you explore and prepare for careers in manufacturing. Prerequisite: Girls Exploring Manufacturing, or permission from the instructor.

#### GIRLS EXPLORING ENGINEERING

August 5-9, M-F, 9 a.m. to 4 p.m., Grades 6-8

Do you love to solve challenges and make a difference? Put your imagination to work in this great Girls Exploring Engineering week. Engineers travel the world, love their work, are never bored, and make a difference through

their discoveries. Join your friends in fun hands-on activities that involve designing, building, and testing. Quench your curiosity this summer. Learn how engineers can change the world, protect the earth, and make a difference.

Girls Exploring Engineering is being offered through the generosity of JLG Industries, Inc.

Apply online at hagerstowncc.edu/cfkgrant by March 31, 2019!

#### 3D Design & Printing

We live in a 3-dimensional world, so it is time we design and print in one as well! In this week-long course, you'll learn the basics of 3D design and the technology used to make your design a reality. Discover how a 3D printer works and print your very own 3D design!

Find us at facebook.com/HCCConEd

#### **EXTENDED SERVICES**

Before Care and After Care are available for an additional \$30 each per week. Registration is required. Before Care runs from 7:15 to 8:45 a.m. and After Care is from 4:30 to 6:00 p.m. Staff will accompany students to/from their classroom.

#### STUDENT'S GRADE LEVEL

Grades listed refer to the grade your child will be entering in the next school year.

#### **REQUIRED FORMS**

All health and student information will be collected by CampDoc. You must provide a valid email address when registering for a CFK course. Within a week of registering, look for an email from register@campdoc.com. All forms must be completed two weeks prior to camp. Students may be dropped without a refund if documents aren't completed.

- Returning campers must update and resubmit forms each year.
- Questions? Call 240-500-2480 or email cfk@hagerstowncc.edu.

#### **LUNCH & SNACKS**

Students will be escorted to and from their classroom and supervised during lunch. If students are packing lunch, please send a lunch box that does not require refrigeration. Lunch may also be purchased on campus. HCC "Go Green" debit cards are available for purchase in the campus store in the Student Center. You may send a nonperishable snack and drink with your child.

#### **SECURITY & SAFETY**

Hagerstown Community College is committed to providing a safe learning environment for its students.

- Parents or guardians must sign their child in and out of class each day.
- Students are escorted to and from all activities.
- Staff will escort students who are not picked up 15 minutes after camp ends to the Career Programs Building, Room 232.

#### **QUESTIONS**

If you need additional information, view the FAQs and parent handbook found on our website at hagerstowncc.edu/kids, or contact our staff at cfk@hagerstowncc.edu.

## **Veterinary Assistant Training 2019**

February 25, 2019 - October 7, 2019

The Veterinary Assistant Training Program consists of three courses. A certificate of completion of the training will be given upon; successful completion of all three courses and a final project and portfolio, each to be presented on the last night of class.

# What is the job outlook for veterinary assistants?

Employment opportunities for veterinary assistants and laboratory animal caretakers is expected to grow by 14 percent from 2010 to 2020.

Employment of veterinary assistants and laboratory animal caretakers is concentrated in veterinary services, an industry that is projected to grow rapidly during the next decade. The rate of industry growth is being spurred by a growing pet population and advancements in veterinary medicine (source: www.bls.gov/ooh).

#### Course 1 — Medical Terminology and Intro to Anatomy for Veterinary Assistants

This course introduces and reviews veterinary terminology and vocabulary.

Students must score at least 70% or better on the Course 1 final examination in order to enroll into Course 2, Veterinary Assistant Training Principles

PET 043 H

Fee: \$335

Feb. 25, 2019 - Apr. 22, 2019

6-8 PM

#### **Course 2—Veterinary Assistant Training Principles**

TThis course includes an overview of the veterinary profession, office procedures, and exam room procedures, client relations, and clinical procedures.

The diagnostic section includes pharmacology and radiology.

The emergency care section includes anesthesia, emergency surgery, and medicine, as well as animal CPR. PET 041 J

Fee: \$895

April 29, 2019 - Sept. 23, 2019

5:30-8:30 PM No class: 5/27/19, 9/2/19

#### **Course 3—Veterinary Assistant Training Practices**

This course consists of 25 hours of combined training including hours at a Humane Society, 10 hours at a Veterinary Hospital/Clinic (mandatory), guest lectures,

and up to three hours of individual research for a final presentation to be given at graduation. Course 3 will run concurrently with Course 2. Students will schedule their individual practice hours with the approval of the instructor.

PET 042 B

Fee: \$211

Aug 19, 2019 - Oct. 7, 2019

Scholarships Available

# Presentation of Projects, Career Portfolios, and Certificate Completion Presentations

After completion of class

#### Registration requirements

Students must be 18 prior to the beginning of the Veterinary Assistant Training Practices course.

Students must be a high school graduate or GED certified prior to July of the program year.

Veterinary assistant students are required to attend all classes. To register for the certificate program, students need to take the Accuplacer Math and English placement tests. To be accepted into the program, students must place into MAT 100 and ENG 099 or higher. (Note: Students do not have to take the MAT 100 or ENG 099 courses, but must receive a score indicating that they qualify for both courses.) If students received a "C" or higher in a college level Math and English class, then they are exempt from taking the Accuplacer placement tests

See course descriptions on next page.

Visit www.hagerstowncc.edu/coned/areas/animal/vet for more information on this program.

All courses are held at our Valley Mall location. To register visit www.hagerstowncc.edu/coned or call 240-500-2236 for details.

## AMERICAN MANAGEMENT ASSOCIATION

American Management Association (AMA) courses are nationally recognized for their comprehensiveness and value. HCC instructors use AMA textbooks as the foundation and draw on their own expertise and experience to present material in the most timely and relevant manner. These courses are designed to help you become more effective in your present position and better prepared for advancement opportunities.

#### **Certificate for 2019**

#### **AMA Certificate in General and Human Resources Management**

This 49-hour program gives managers the skills to lead and supervise a team, as well as the basic principles of human resources management required for all supervisors to stay compliant with current HR laws and best practices.

The AMA certification program at HCC is self-directed. Students complete courses as time and funding permit. Courses are offered several times throughout the academic year and can be taken as a series, or individually. Certification is earned when the student completes all seven courses.

See next page for details.

For more information please visit www.hagerstowncc.edu/ama

#### **AMA Training**

#### AMA General and Human Resources Management Certificate

This 49-hour program gives managers the skills to lead and supervise a team, as well as the basic principles of human resources management required for all supervisors to stay compliant with current HR laws and best practices. This section includes the following seven courses at one low price.

Total: \$1350 — Senior Total: \$1005

PRD-570-K W 8:30AM-4:30PM May 01 – Jul 24 A. Kostreski, D. Hartman, M. Waltemire (more) VM 3

#### **Communication Skills for Managers**

Communication is a critical skill for successful managers in all industries. Learn how to clearly deliver your message through the many forms of business communication: written, spoken, in person, and email. Identify their communication styles using the DISC assessment, understand and apply the four workplace communication styles, learn how to create safety for the person hearing the difficult message, and learn the five strategies for managing conflict.

# Coffee. Pastries. Pitches. What more could you want?

Launched from the idea that a community is the perfect place to foster ideas and discover solutions to problems, Technical Innovation Center started Mugs & Pitches at Hagerstown Community College in January 2018.

Held on the 3rd Friday of each month, entrepreneurs, investors, and other professionals meet monthly to connect and converse about their businesses. Each month, two emerging companies present their companies to the community for seven minutes, followed by a 15-minute questionsand-answer session with the audience. Firsthand feedback about the pitches, the innovations, and the company is valuable to the entrepreneurs as they discovers ways to take their businesses to the next level.

Mugs & Pitches is a great opportunity to engage in constructive and straightforward conversations with like-minded people.

April 19, May 17, June 21, July 19, Aug 16

Visit www.hcctic.com/mugspitches for more information.

# Essential Skills enable managers and supervisors to meet the challenges of the workplace.

The following courses are online courses that flex with your schedule. Courses are instructor led format.

#### **Get started today!**

#### **Building Teams That Work**

Teams are becoming a staple in today's workplace. In this course, you will learn the components of a successful team and the stages of its development. You will master the skills you will need to effectively manage projects, make decisions, and solve problems in a team setting.

Along the way, you will follow real-life examples and scenarios to help you identify with the team-building process. Are you eager to develop your leadership qualities and be a quality team participant? This course enables you to understand both perspectives as you learn the best ways to communicate and work together for positive change.

6 Weeks / 24 Course Hrs.

#### **Achieving Success with Difficult People**

This course will teach you how to see things from others' viewpoints based on their needs, values, beliefs, experiences, skills, knowledge, and self-interests. You will learn to approach difficult situations by answering the questions: who? what? where? when? how? and why? And by answering these questions, you will understand who your difficult people are, what they're like, how you react to them, and their response to your actions. In this course, you will understand that assertiveness involves taking responsibility when meeting your needs in a way that preserves the dignity and rights of others.

6 Weeks / 24 Course Hrs.

#### Leadership

Leadership skills can help you gain the respect and admiration of others, while also allowing you to enjoy success in your career and more control over your destiny. Contrary to popular belief, leadership skills can be learned and developed. Even if you don't hold a leadership position, this course will teach you how to use the principles of great leaders to achieve success in almost every aspect of your daily life.

6 Weeks / 24 Course Hrs.

# Work Smart Employer Training Solutions

MARYLAND .

WorkSmart is a partnership between the Maryland Department of Commerce and the Maryland Association of Community Colleges (MACC). The WorkSmart Program offers businesses an array of customized and relevant training solutions providing an innovative approach that leverages the strengths of Maryland's 16 community colleges to serve the training needs of the local business community.

Hagerstown Community College has developed and delivered customized training solutions to many businesses, associations, and Government agencies.

Hagerstown Community College is one single point of contact for the Tristate's business community and workforce stakeholders to connect with the WorkSmart network that is responsive, accessible, and an affordable partner to help businesses address workforce issues and close skill gaps.

Please contact Theresa Shank at 240-500-2476 or tmshank@hagerstowncc.edu for further information.

# Online Computer classes—choosing your class is easy!

- 1. Visit our online classroom at www.ed2go.com/hagerstown.
- 2. Browse through the class schedule and select the topic/month that are right for you.
- 3. Register online and attend orientation online.
  See the online outline for course requirements.

Questions? Call 240-500-2553, or email online@hagerstowncc.edu

#### INTRODUCTION TO MICROSOFT EXCEL

Discover dozens of shortcuts and tricks for setting up fully formatted worksheets quickly and efficiently. Learn the secrets behind using functions, sorting and analyzing data, creating custom charts, creating 3-dimensional workbooks, building links, and creating macros and custom toolbar buttons. An intermediate and advanced Excel class is also offered

Fee: \$119 (includes tuition, fee, & registration)

#### INTRODUCTION TO QUICKBOOKS

Use the power of QuickBooks software to take control of your business accounting! In these lessons, you'll learn how to set up a chart of accounts, pay bills, invoice customers, create receipts, and reconcile your checking account. In addition, you'll discover how to track your accounts payable and receivable, manage your assets, control inventory, and generate estimates and reports.

Fee: \$119 (includes tuition, fee, & registration)

#### INTRODUCTION TO CREATING WORDPRESS WEBSITES

Want to build an attractive, sophisticated blog or website—without having to learn any special coding? WordPress is the answer you're looking for! WordPress is one of the world's most popular Web design tools because it's free, it's easy to use, and it produces professional results. Level II also available.

Fee: \$119 (includes tuition, fee, & registration)

# **CREATING WEB PAGES**

From planning to posting, this class can help you get your own web site online in just six weeks! Work with your instructor to plan content and structure, create pages of text and graphics, build links to other sites, and add a splash of attention grabbing color.

Fee: \$119 (includes tuition, fee, & registration)

#### CREATING MOBILE APPS WITH HTML5

Do you want to make mobile apps that run on iPhone and iPad, as well as on Android, Blackberry, and Windows Phone? In this course, you'll learn how to imagine, design, build, and optimize a cross-platform mobile app using the very latest HTML5 standards. The result will be a mobile app that's fast and runs on just about any smartphone or tablet computer. Fee: \$119 (includes tuition, fee, & registration)

#### INTRODUCTION TO PHP AND MYSQL

Learn how to create an interactive Web site, allowing visitors to post and retrieve information provided by you or your site's visitors. You'll see how to create dynamic Web pages using the PHP programming language and the MySQL database server. During the course, you'll walk through the development of a complete content management system Web application. Intermediate level also available.

Fee: \$119 (includes tuition, fee, & registration)

#### MAC, IPHONE, AND IPAD PROGRAMMING

Join the fastest-growing software market today and reach millions of potential customers through Apple's App Store. You'll learn to use the free Xcode compiler and the Objective-C programming language to program your own apps. By the end of this course, you'll know how to find your way around Xcode and write Objective-C commands.

Fee: \$119 (includes tuition, fee, & registration)

#### **COMPTIA A+ CERTIFICATION PREP**

Time to roll up those sleeves and dive inside the personal computer! The Basic CompTIA A+ Certification Prep course teaches you about the hardware common to virtually every personal computer. You'll learn how things work, how to configure everything, and how to troubleshoot in real world environments. Intermediate and Advanced level class also available.

Fee: \$165 (includes tuition, fee, & registration)

#### COMPTIA NETWORK+ CERTIFICATION PREP

Here's the information you need to know to take and pass the challenging CompTIA Network+ certification exam and become a network technician. You'll learn about topologies, the OSI Seven-Layer model, protocol suites, modern network operating systems, network hardware, cabling standards, remote connectivity, Internet connections, network troubleshooting, and more.

Fee: \$165 (includes tuition, fee, & registration)

See more online computer classes you can take from home! Visit www.ed2go.com/hagerstown for more details and to register.

# **CDL - Commercial Driver**

# **CDL Learner's Permit Prep**

Take the guesswork out of sitting for your CDL A or B Leaner's Permit and let our professional truck driving instructors guide you through the testing process. This short course will cover the topics you need to pass your Learner's Permit including areas of general knowledge, air brakes, combination vehicles, passengers, and study tips. Please bring your state of residency CDL manual to the class.

# **Construction Trades Apprenticeships**

Construction trades employment is looking better than ever. And thanks to a partnership between HCC and the Cumberland Valley Chapter of the Associated Builders and Contractors, opportunities to enter the trades are expanding. Apprenticeship training programs are now available for:

- Electrical
- HVAC
- Plumbing
- Carpentry

Apprentices work hard to learn a trade while being employed in the field. Apprentices in these programs are registered with the state of Maryland and work with instructors certified to offer a nationally recognized trades curriculum.

For more information on apprenticeships and the application process, please contact Jack Drooger at 240-500-2453 or jadrooger@hagerstowncc.edu.

**Coming Soon!** Pre-apprenticeship classes will be offered to prepare for your trades career or even to begin entry-level positions in construction.

Cumberland Valley Chapter

# Job Training Tuition Assistance Available for Maryland Residents

Unemployed and need to develop job skills? Employed but at a low wage level and no benefits? HCC Workforce Development and area employers have joined together to provide training pathways with funding supported by the Maryland Department of Labor.

- · Forklift Operator
- Commercial Truck Driver
- Solar Installer
- Solar Inspector

For more information on the training programs or to apply for the grant tuition assistance, contact Continuing Education and Workforce Development at 240-500-2236 or email ceregister@hagerstowncc.edu.

"This project was funded in whole or in part by funds received from EARN Maryland, a Grant program of the Maryland Department of Labor, Licensing and Regulation."

# **BLS**

#### **BLS Certification**

The American Heart Association Basic Life Support (BLS) for Healthcare Providers (HCP) (C) is a classroom course that is designed to teach a variety of healthcare professionals how to recognize a number of life-threatening emergencies, how to provide CPR, how to use an AED and how to relieve choking in a safe, timely, and effective manner. This course is for healthcare professionals who must know how to perform CPR, as well as other lifesaving skills, in a range of in-hospital and out-of-hospital settings. Textbook cost is included in the BLS full course fee. Student is responsible for textbook for BLS renewal course. AHA requires each student to have a textbook available before, during and after the course. Students must pass a written exam and skills test in order to receive an AHA/BLS for Healthcare Provider (C) course completion card. American Heart Association guidelines require that classes run within a specified time period. Please be aware that failure to arrive for class on time may result in having to reschedule for a later date.

# **Mind Body**

# Beginning T'ai Chi (easy T'ai Chi Primer Form)

This beginning course in T'ai Chi Ch'uan is designed especially for the novice and for seniors who wish to learn and practice a simplified version of this profound art form. In this class, the art of T'ai Chi is taught as a holistic exercise that promotes health, improves balance, and enhances mind-body awareness. Step-by-step instruction is provided in an easy-to-learn primer form of less than 20 movements selected from the Yang and Wu styles of T'ai Chi. The movements of T'ai Chi are circular, soft, and flowing, and are performed slowly with concentration and control. In beginning T'ai Chi, the participant can return again and again to the same class or use the lessons as a foundation if they wish to pursue continued studies of T'ai Chi at an intermediate or advanced level. Wear comfortable clothing and flat-soled shoes. Exclusions apply for pregnant women and those with moderate to severe osteoarthritis in the knees.

Total: \$87

	P. Cote	CPB 211

# Intermediate T'ai Chi (Authentic Northern Wu Style)

This intermediate-level course features the authentic Northern Wu style T'ai Chi Ch'uan that was passed down via the late Grandmaster Wang Peisheng of Beijing, China. This class is suited for those continuing on from beginning T'ai Chi and for those who are ready from the start to experience a more challenging method of T'ai Chi Ch'uan practice. Step-by-step detailed instruction will be given in the movements and principles of the 37-posture Wu style T'ai Chi form. No previous experience with T'ai Chi is required if you are in good health and feel you are ready to begin your T'ai Chi experience at an intermediate level. Those who have taken one or more semesters of the beginner's T'ai Chi course, and those who have practiced other T'ai Chi styles, are welcome. Wear comfortable clothing and flat-soled shoes. Exclusions apply for pregnant women and those with moderate to severe osteoarthritis in the knees.

# **Cultural Trips**

# National Museum of the American Indian

The National Museum of the American Indian houses one of the world's largest and most diverse collections of its kind. Meet the Native peoples of the Chesapeake Bay region-what is now Washington, D.C., Maryland, Virginia, and Delaware-through photographs, maps, ceremonial and everyday objects, and interactive exhibits; learn the ways in which American Indians have been part of the

nation's identity since before the country began; discover the relationship, history, and legacy of U.S.-American Indian diplomacy from the colonial period through the present; and delve into indigenous worldviews, philosophies, and the spiritual relationship between humankind and the natural world. Enroute, Roger Swartz will discuss basic Native American spiritual beliefs, especially from the Northeast, and how they are applied to daily Indian life and incorporated into the museum: its outer grounds, its architecture, and its exhibits. Registration includes motor coach transportation and gratuities. Admission is free.

# **Dance and Recreation**

#### Instructor Bio - Jody Schein

I started my dancing career at a large franchise in 1997. I then moved on to study ballroom dance at Brigham Young University and taught as an independent instructor for several years. Since 2010, I've become professionally certified through Dance Vision International Dance Association and I'm currently adding to my list of professional dance certifications. I continue to teach using the excellent DVIDA system and specialize in social dancing, event preparation and American Rhythm dances. I love working with beginners of all ages and look forward to introducing you to the magic of ballroom dancing!

# Ballroom Dance - Swing/Foxtrot

Join professionally certified Dance Vision International Dance Association (DVIDA) instructor, Jody Schein, for Ballroom Dance Instruction. Learn to dance to the greatest music from the roaring 20s all the way through the rock n'roll 50s. We'll be sailing smoothly through the fox trot and twirling our way through the swing. Wear comfortable shoes (no flip flops) and we'll be dancing in no time.

# The World War II Campaigns (new) in North Africa

World War II enthusiasts certainly know of Irwin Rommel and his famous Afrika Korps, but the fighting began in North Africa well before Rommel arrived. Initially it pitted Italians against Ethiopians, then Italians against the British. It was only when Italy faced humiliating defeat at the hands of a much smaller British force that Hitler reluctantly ordered Rommel to North Africa to save the day. And he did, although not permanently, which you'll discover if you join Jeff Driscoll for this class.

Spring 2019 Glorious Garden Series Mondays, May 20<sup>th</sup> and June 24<sup>th</sup>, 6-8 PM

Nothing announces the coming of summer quite like sweet, juicy berries. Bursting with color and flavor, strawberries, raspberries, and blackberries are delectable treats for the taste buds and eyes alike.

Create beautiful floral arrangements with edible berries, along with beans, pods, and inedible berries, such as hypericum berry. Learn how to cultivate, harvest, and arrange your own berry 'boutiful' garden with the expert guidance of Denny Warrenfeltz.

May 20<sup>th</sup> - At Trayer's Farm and Greenhouse in Mercersburg, Denny will demonstrate various arrangements and provide a guided walk-through of the greenhouse, giving you tips on how to plant and tend your own garden.

June 24<sup>th</sup> - Tour a sample garden at the Bowman House in Boonsboro and create your own arrangement.

Please bring a folding chair and enjoy light refreshments both evenings.

Denny has over 40 years of experience in gardening, floral design, and open hearth cooking.

# **Money Matters**

#### Financial GPS

Financial GPS is a four-week series where you'll define where you are financially, set a dream destination, and chart the course to reach that destination with minimal roadblocks and detours. Make the most of your hard-earned money by learning about key financial measures, such as net worth and a credit score. Gain insight into setting reachable financial goals and how to use a budget to meet those goals, whether they be building security through an emergency fund and consumer savvy, keeping more money in your pocket by avoiding and paying off debt, or growing your money through wise investing. It's never too soon (or too late!) to learn how to pave the road to your financial security. A great investment for adults of all ages.

Need to acquire your high school diploma? Improve your English language skills? Or enhance your math, writing, and reading skills?

HCC would like to partner with you and make it happen.

HCC's Adult Education Program offers free assessment, advising, classes, tutoring support, and a computer lab that is professionally staffed for those wanting to acquire their high school diploma or improve their educational skills.

Meet the required placement scores, and you can enroll in the National External Diploma Program (NEDP) for \$90.

Classes are offered both day and evening at a variety of locations in the Hagerstown area.

It all starts with a phone call and an appointment.

Call 240-500-2313 between 8:30 a.m. – 4:30 p.m.

and speak to someone who looks forward

to partnering with you.

Change your life today, one step at a time. Let's make that dream a reality.

#### **Non-Credit Course Disclaimer**

Courses and class schedule information listed in the Non-Credit Course Schedule, promotional literature and on the College website are subject to change. The College regrets any discrepancies or typographical errors.

Continuing Education and Workforce Development wants every student to be successful; however, we recognize that a course or training program may not always be the best match for a student. Thus, the College reserves the right to decline a student registration into any career-training course or program where the student has unsuccessfully attempted the same course or training program twice or because of poor performance in the program.

# **Registration is Easy**

Registrations will be accepted through the first day of class if space is still available. However, we encourage you to SIGN UP EARLY.

# To register in-person:

Visit our HCC registration office in the Administration and Student Affairs Building on the main campus.

11400 Robinwood Drive Hagerstown, MD 21742

**Business Hours:** 

- Monday and Thursday 8:30 a.m. 6:30 p.m.
- Tuesday, Wednesday and Friday 8:30 a.m. 4:30 p.m.

Phone: 240-500-2236

# Visit our satellite location at:

14301 Valley Mall Road, Suite 455 Hagerstown, MD 21740

**Business Hours:** 

- Monday through Thursday 8:30 a.m. 9 p.m.
- − Friday 8:30 a.m. − 4:30 p.m.
- Saturday Selected Hours

Phone: 240-500-2236

# To register by phone:

You may register by phone by calling 240-500-2236. Registrations may be accepted by phone when paying with a credit card.

# To register through WebAdvisor:

- www.hagerstowncc.edu/coned/web-advisor
- Register online for your courses. Follow the step-bystep tutorials on the WebAdvisor page.

Classes are constantly being added. Check the website for the most current listings.

# **Birthdate and Social Security Number**

Your social security number and birthdate are requested on our registration form for use as student identification numbers to help us avoid duplicating records and mailings. It is for internal use only and remains confidential. Your birthdate is required by the Maryland Higher Education Commission.

#### **Tuition and Fees**

Any Maryland resident 60 years of age or older and who enrolls in a Maryland funded course is exempt from payment of tuition but must pay the \$35 fee (or higher fee if indicated in the course description) and any other applicable fees. Tuition does not include any fees or cost associated with a self-supporting program.

All students who enroll in continuing education classes which are not eligible for state funding shall pay full tuition and fees.

All students registering for an open enrollment course shall pay an \$8 registration fee. Checks should be made payable to Hagerstown Community College. There will be a returned check fee of \$35 for checks returned for insufficient funds.

For information concerning tuition assistance for individuals with disabilities, please call 240-500-2273.

#### **Admissions**

Anyone 16 years of age or older is eligible for admission (unless specified otherwise).

## **Course Cancellations**

Each non-credit class requires a minimum number of enrollees to run. The decision to hold or cancel a class is made, in most cases, three business days prior to the start of the class. The college, however, reserves the right to cancel a class at any time due to unexpected circumstances.

## **Refund Policy**

#### **Drops, Refunds and Cancellations**

**Course cancellations**: 100% refund will be issued for any course the College cancels.

**Before the course begins:** Course withdrawals and requests for full refunds may be made up to 24 hours before the course begins by calling Continuing Education at 240-500-2236. Some exceptions may apply and will be noted in the course description.

After the course begins: Refunds are not awarded after a course has started.

The above policy does not apply to College for Kids and Cultural Day Trips. Call 240-500-2236 for College for Kids and trip refund information.

The College reserves the right to cancel courses or make changes due to insufficient enrollment or unforeseen circumstances. In these events, students will be notified via phone and/or email.

# **Employer's Tuition Assistance**

If your employer is paying for your course, we must receive a purchase order or a letter on company letterhead along with your registration form. The purchase order or letter must state what the employer is paying (i.e. tuition, material fee), your name, and the course(s) in which you are enrolling. Registrations will not be processed without this paperwork. If the employer is paying for your textbook, a separate letter or purchase order must be submitted to the Bookstore at the time of purchase.

# ed2go Online Course Registration Information

Online courses offered by HCC can be attended based on your personal schedule, day or night. New classes start on the second Wednesday of each month with two lessons posted each week.

Print the online registration form and forward it along with your payment to the Hagerstown Community College, Continuing Education Registration.

If you have additional questions, you can also e-mail our student liaison at online@hagerstowncc.edu.

# **College Holidays**

- May 27, 2019 Memorial Day
- July 4, 2019 Fourth of July

#### **Parking**

Display the confirmation letter on your car's dashboard to serve as your parking permit when attending classes on the HCC campus. Parking for seminars is in Lot F. Parking for other courses is available in the student lots.

## **Use of Cell Phones During Class**

Cell phones should be turned off or set to silent when class is in session. Calls must not interrupt the class. If students have to make or take calls on an emergency basis, please step out of the classroom to do so in order to minimize the disruption.

## **Emergency Closing**

In case of severe weather or other emergency conditions, you should check HCC's website (www.hagerstowncc.edu) or Facebook page (www.facebook.com/hagerstowncc).

We will not necessarily close when the public schools do. When the public schools are closed due to weather or emergencies, all classes at public school locations are cancelled. When the college closes, all classes at off-campus sites are canceled.

Classes canceled due to inclement weather or emergencies will be made up.

#### Non-Credit/Credit Shared Courses

Selected courses may be taken for either academic credit or a non-credit basis. Should the student desire to transfer from non-credit to credit, the student must transfer by the second week of class. In order to transfer from non-credit to credit, the student must first drop the course through Continuing Education and then register in the Registrar's office. Students who have completed the non-credit course will receive a Certificate of Completion but will not be awarded college credits and may not earn college credit for the credit course by exam.

## **Certificate/CEU Information**

Students do not receive grades for Continuing Education courses. Some non-credit courses offer Continuing Education Units (CEUs). You must inform the instructor if you need CEUs.

# **Code of Student Conduct**

Hagerstown Community College has established rules of behavior that must be followed so that the teaching/learning process is not disrupted. A copy of the student handbook is available in the Student Activities Office.

# **Smoking Policy**

Hagerstown Community College is committed to providing a safe and healthy working and learning environment for students, faculty, staff, and visitors. Effective January 1, 2015, HCC will be a tobacco-free campus. The Tobacco-Free Policy applies to all Hagerstown Community College facilities and vehicles, owned or leased, regardless of location. Smoking and the use of tobacco and e-cigarette products will not be permitted on any HCC property, including all buildings and facilities, walkways, recreational and athletic areas, building entrances, and parking lots. This policy applies to all students, faculty, staff, and other persons on campus, regardless of the purpose of their visit. To learn more, visit www.hagerstowncc. edu/tobaccofree

# **Equal Opportunity College**

Hagerstown Community College does not discriminate against any individual for reasons of race, sex, color, religion, national or ethnic origin, age, sexual orientation, or conditions of disability in the admission and treatment of students, education programs and activities, scholarship and load programs, hiring of faculty and staff, or any terms and conditions of employment. The college is committed to affirmative action. Individuals requiring special accommodations are requested to contact the Office of Student Services at 240-500-2240 to make arrangements no later than 10 days prior to the meeting or course

# CAMPUS MAP

## From Interstate 70

Take exit 32B on to Dual Highway. At the first stop light turn right on to Edgewood Drive. (Edgewood Drive turns into Robinwood Drive.) Enter the circle and take the third right in the round about on to the HCC Campus.

#### From Interstate 81

Take exit 6A on to Route 40 East. Proceed through downtown Hagerstown and continue straight (road is now called Dual Highway). Turn left on Mt. Aetna Road. At second stop light turn left on to Robinwood Drive. Enter the circle and take the third right onto the HCC campus.
