HCC offers high-quality education at a great price

- Quality Instruction - HCC faculty have advanced degrees and teaching experience in their fields of expertise. HCC has continuously met each of the standards of excellence in its review by the Middle States Commission on Higher Education.
- Affordable Tuition - Students at HCC save an average of $20,000 on the first two years of college.
- Career and Transfer Programs - HCC prepares students for careers that are in demand, through best practices. HCC leads the Maryland community college with more than 900 students enrolled at a Maryland community college.
- Early College - Through the ESSENCE Program and the STEM Coolidge Middle College, HCC leads the state in the number of high school students (more than 900) enrolled at a Maryland community college.
- Learning Support Center - This unique center is having a positive impact on student success rates and has a 93% success rate in the first year of its implementation.
