Hagerstown Community College Master Syllabus
INT 106 - Welding

Course Information
Course #: Course Title INT 106 WELDING
3 Credits
Semester Year Fall 2018

Instructor Information
Instructor: Jonas Smith
Phone: 717-504-5378
Email: jmsmith1@hagerstowncc.edu

Instructor: Stephen Slavick
Phone: 301-573-2815
Email: saslavick@hagerstowncc.edu

Course Description
This is a basic welding class. No welding experience is necessary. Oxyacetylene (welding and cutting), arc welding and soldering and brazing are explored with hands-on training provided. Students work on class competencies, at their own pace, beginning with safety practices and set-up in each area. Total of 45 hours of lecture. Course fee required.

Textbook and Course Materials
Welding Principles and Applications Seventh Edition; Larry Jeffus

Student Learning Outcomes
On successful completion of this course, students should be able to:
- Describe weld shop safety practices and procedures
- Recognize and set up welding and cutting equipment
- Recognize and understand industry welding terminology
- Understand the differences in welding with each type of current on relationship to the welding process
- On an entry level be able to torch cut, plasma cut, and weld common metals using oxy-fuel, AC/DC arc, MIG and TIG welding equipment
- Recognize signs and causes of weld joint failure

Course Content Objectives
- Identify welding symbols
- Identify and select measuring instruments and tools for fabricating projects
- Recognize correct layout and fabrication terminology
- Identify structural shapes and materials
- Complete a fabrication project

Definition of Credit Hour: Classroom Courses
To earn one academic credit at HCC, students are required to complete a minimum of 37.5 clock hours
(45 fifty-minute academic hours) of coursework per semester. Those hours of coursework may be completed through a combination of hours in the classroom and hours outside the classroom. Certain courses may require more than the 37.5 minimum hours of coursework per credit. For most classes, students should expect to complete at least 2 hours of coursework outside of class for each hour of in-class coursework.
