- Verbalize plan of care in preconference to instructor & revise plan of care in post conference.
- Reports to appropriate team member the care of the individual at the end of the clinical assignment.
- Begins to recognize self-evaluation and communicates learning needs to instructor.
- Assumes responsibility for own actions.
- Reports to clinical on time.
- Completes the clinical assignment.

Total Hours of Coursework:

To earn one academic credit at HCC, students are required to complete a minimum of 37.5 clock hours (45 fifty-minute “academic” hours) of coursework per semester. Those hours of coursework may be completed through a combination of hours within the classroom and hours outside the classroom. Certain courses may require more than the 37.5 minimum hours of coursework per credit.

For most classes, students should expect to do at least 2 hours of coursework outside of class for each hour of in-class coursework.

| Assessment | Clock Hours | Explanation |
|-------------------------------|--------------------|---|
| Lecture & exams | 68 | In class instruction & completion of exams |
| Assigned readings & exam prep | 75 | Completion of readings & studying |
| Projects | 7 | Case studies |
| ATI assignments | 38 | Online assignments to support concepts and topics taught in lecture |
| Clinical | 60 | On site providing patient care |
| Lab | 16 | Learning & practicing skills |
| Simulation | 6 | Opportunity to practice skills in a real life scenario |
| Total | 270 | |

Services for Students with Disabilities: Students may receive reasonable accommodations if they have a diagnosed disability and present appropriate documentation. Students seeking accommodations are required to contact the Disability Support Services (DDS) office as early as possible. Student may contact a DSS staff member for an appointment at dss@hagerstownc.edu or at 240-500-2530.
