HCC offers high-quality education at a great price

- Quality Instruction - HCC faculty have advanced degrees and teaching experience, and HCC has consistently met or exceeded state standards of excellence. All our programs of study have quality assurance recognition.

- Affordable Tuition - Students at HCC save an average of $25,000 on the first two years of college.

- Maryland Community College Promise Scholarship - This new state program is a last-dollar scholarship program for qualifying Maryland high school graduates or GED compliers to earn a certificate, associate degree, or transfer degree.

- Career and Transfer Programs - HCC prepares students for careers that are in demand, through degrees, certificates, and letters of recognition, as well as transfer to four-year schools.

- Early College - Through the ESSENCE Program and the STEMM Technical Middle College, HCC leads the state in the number of high school students (more than 90%) enrolled at a Maryland community college.

- Learning Support Center - This unique center is a positive impact on student success rates and gaining recognition as an example of higher education best practices.
