

How to use WebAdvisor to register for Motorcycle Safety

1. Click on SEARCH AND REGISTER FOR CONTINUING EDUCATION COURSES
2. Type in the course number in the course code number box. Look to the right of this page for specific course numbers. Don't worry what the actual course name is, just use the course number.
3. Click SUBMIT below or press enter on your keyboard
4. Select the course you wish to register for by clicking the small box to the left of the course name and title. Again, don't worry about the course name, if you have your course number correct, you'll get in the right class!
5. Click SUBMIT or press enter on your keyboard
6. Fill in the remaining information as needed and directed to complete your registration.

**Click the register button
to the right to continue**

You can print this page by clicking on the printer icon in the top LEFT corner or the bottom center of this browser window.

To Find, Type:

Basic Rider = MST-614

Alternate Basic Rider = MST-615
(will show up as Basic Rider II, but it's actually Alternate Basic Rider)

Basic Rider 2 = MST-616
(will show up as Experienced Rider, you've got the right course!)

Total Control = MST-617
