Medical Expense Waiver

Students entering health programs need to be aware that the clinical nature of the training may expose them to infectious diseases or processes and their inherent risks.

Therefore, students enrolled in training programs that involve clinical/practicum experiences are expected to have their own personal health insurance.

Hagerstown Community College and the clinical agency are not responsible for medical expenses related to injury incurred during training programs.

I, the undersigned, understand the above and agree to be responsible for any medical expenses incurred during training at Hagerstown Community College or at clinical/practicum sites.
