Your application was selected for review in a process called "Verification." When a student file is selected for verification, the Financial Aid Office must document and validate certain data elements from the FAFSA. The law says we must ask you for additional information before awarding Federal Aid and Maryland Grants or Scholarships. If there are differences between your application information and your financial documents, the Financial Aid Office may need to make corrections electronically and you may receive a corrected Student Aid Report (SAR).

Instructions: Complete all pages of this verification form and submit it to HCC Student Financial Aid Office as soon as possible, so that your financial aid won't be delayed. Please contact us if you need any additional information to fill out this form.
