

**Hagerstown Community College Radiography Program
Observation Verification Form
Due by Application Deadline: February 1st**

Dear Health Educator:

The Hagerstown Community College Radiography Program requires that our prospective students observe 8 hours of radiography-related procedures, as completed by a Registered Radiographer, so that they may gain a better understanding of their chosen career. We would like to express our gratitude to you for allowing our students to observe in your practice. Our goal is to further the profession of radiography by training quality radiographers who are passionate about their patients and their work. Please sign in the indicated space(s) below. Thank you!
