Federal legislation relating to the Hope Tax Credit requires that all postsecondary institutions report student social security numbers (SSNs) to the Internal Revenue Service (IRS). This IRS requirement makes it necessary for community colleges to collect the SSN of every student. A student may refuse to disclose his or her SSN to the college for this purpose, but the IRS is then authorized to fine the student in the amount of \$50.00. SSN is not required for admission. However, if you intend to apply for financial aid or claim tuition and fee costs on income taxes, you must provide the SSN.
