Notes:

Hagerstown Community College utilizes Course Evaluations & Surveys by Watermark to administer course evaluations. Each evaluation period will last approximately 14 days for sessions lasting 7.5 weeks or greater and approximately 10 days for sessions lasting less than 7.5 weeks. Adjustments will be made as necessary to account for holidays and weekends. Evaluations are open from 12:00am on the start date through 11:59pm on the end date.

Course evaluation reports will be made available to instructors once grade submissions are closed for the term and results have been processed.

This schedule is based on the academic calendar as of the publishing date and is subject to change. NT stands for non-traditional term.
