

Getting Started at HCC

Thank you for your interest in enrolling at Hagerstown Community College. To be ready to schedule your classes, please make sure the following steps are completed as soon as possible:

1. Submit an Application for Admission (no fee) and send it to the Office of Admissions. You may apply online at www.hagerstowncc.edu/admissions.
2. Complete the Free Application for Federal Student Aid (FAFSA) - if applicable.
 - If you plan to use financial aid or apply for scholarships to finance your college education, you must complete the FAFSA. Submit the form online at <https://studentaid.gov>. For more information about financial aid or scholarships, go to www.hagerstowncc.edu/financial-aid or call 240-500-2473. High school students in the Early College program may complete the FAFSA to apply for additional scholarships.
3. Submit official transcripts to the Office of Admissions.
 - This may include high school transcripts, college/university transcripts, and GED scores.
4. Review placement testing information online at: www.hagerstowncc.edu/testing.
 - You may be exempt from taking the placement tests based on high school GPA, SAT, ACT, MCAP, AP, IB, GED, or CLEP scores. To see if you are exempt from testing, visit www.hagerstowncc.edu/testing. If you are exempt from placement testing based on one of these, please submit an official copy of the transcript or test scores to the Office of Admissions.
 - For questions, contact: testingcenter@hagerstowncc.edu, or call 240-500-2398.
 - Placement tests are very important. Students should not rush through the tests and should prepare to take the tests by studying the web-based tutorials available on the Testing Center website. Students who do not test above a minimum score in Reading and Arithmetic will not be able to register for credit classes.
5. Meet with a Retention Specialist and schedule classes.
 - All new students must meet with a Retention Specialist to register for classes. To schedule an appointment, visit www.hagerstowncc.edu/retention.
 - All students who will be taking classes while still in high school must schedule an appointment to register by emailing admissions@hagerstowncc.edu or calling 240-500-2238. Registration for classes offered at local high schools will be conducted in the classroom at the high school. High school students must complete the Early College Access form found at www.hagerstowncc.edu/earlycollege before registering.

Please feel free to contact the Office of Admissions at 240-500-2238, by text at 240-892-7258, or by email at admissions@hagerstowncc.edu if you have any questions. Additional information regarding paying for college, obtaining textbooks, and getting a college ID and parking pass may be found at www.hagerstowncc.edu/current-students.
