Who Will Be There?

More than 100 exhibitors will take part in the Annual Flower & Garden Show themed, **“Once Upon A Time in A Garden...,”** which again promises to be the tri-state area's premier event. You're invited you to vend and show your wares. In addition to nurseries, participants include: distributors of lawn and garden equipment, pottery and statuary, landscaping, tree services, water ponds, stone products, herbs and violets, outdoor furniture, florists, wild bird products, and natural gourmet gifts from the garden. One of the most unique elements of the show is the opportunity to meet, learn, and network with other gardening experts. Regional extension agents, as well as nature specialists, will also be on hand to answer questions throughout the show.

In HCC's 48,000 sq. ft. arena, the public will have an opportunity to browse, learn, and buy. Seminars and demonstrations will be presented continuously each day to add to the educational element of the event. Special free gardening activities will be offered for children.

For the exhibitors' enjoyment, and as HCC's way of saying “Thank You,” complimentary light refreshments will be provided during show setup.
