A copy of the services provided by the HCC Dental Education Clinic is given to the patient upon completion of treatment along with any notes for evaluation of restorative needs from the clinic dentist. **Restorative and surgical procedures are not available at the HCC Dental Education Clinic.**

Radiographs and chart notes can be sent to the referring office or organization with written consent from the patient. Please allow up to one week to process records requests. Radiographs can also be printed at time of service and released to the patient during the dental appointment, however radiographs may not be of diagnostic quality being this is an institutional setting.
