 - a. Chris made the motion to approve. Liz seconded the motion. All approved.
- b. Final review of Research Request #1 – Course Repeat Policy (Cannon revision) (attached)
 - a. Regarding Jamie Cannon's revision to Policy 4013. Rather than "repeat" we would like to use the word "attempt" because the word "repeat" means that the student could take the course four times rather than three times.

 - a. We reviewed the proposed changes to shared governance, that our committee be changed to the Academic Standards Committee, with a separate Assessment Committee. We also discussed the changes to membership. We discussed some of the challenges in an Assessment Committee being categorized as a shared governance committee.

- e. Adjourned at 2:51.
