Dear Parent/Guardian,

In compliance with Maryland law (Md. Code, Health General §14-403.1) and the Code of Maryland Regulations (COMAR 10.16.06.21 and 10.16.06.02.B(33)), all individuals—including youth volunteers—who will have direct access to campers during the 2025 summer camp season are required to complete:

- A Maryland State criminal background check
- A Federal Bureau of Investigation (FBI) national background check
- A Child Protective Services (CPS) background clearance

This process includes fingerprinting as part of the background check requirements. The information collected will be used solely for the purpose of determining eligibility to volunteer in accordance with Maryland law and will be handled with strict confidentiality.

Please complete the acknowledgment below to authorize your child's participation in the fingerprinting and background check process.

I hereby give permission for my child, named above, to be fingerprinted and to undergo the required background checks (Maryland State, FBI, and CPS) as a condition of volunteering at the youth camp.

I understand that this is a legal requirement under Maryland law and that the results will be used solely for determining eligibility to volunteer with direct access to College for Kids participants.
