## Board of Trustees Policy No. :4043 Hazing Policy

Hagerstown Community College is committed to providing a safe and healthy environment for students. In consideration of hazing incidents, college administration shall offer anti-hazing awareness and educational programming that encourages individuals to immediately report hazing behaviors to appropriate College officials.

The Hazing Policy applies to acts that take place in all Hagerstown Community College facilities and at on-campus and off-campus events that are sponsored by Hagerstown Community College and is in accord with the Federal Stop Campus Hazing Act. Hazing behaviors of any sort do not reflect the values and mission of Hagerstown Community College and are an expressed violation of the Code of Student Conduct. The College administration shall provide students with educational programming on hazing, including information on hazing awareness and hazing prevention. The programming and awareness will take place via Hagerstown Community College’s new student orientation programs and, as available, during meetings with specific student groups or organizations. The College administration shall encourage prompt reporting and investigation of reported incidents, within the established guidelines of the Code of Student Conduct.

The College administration, upon request from the state of Maryland, will report each year to the Maryland Higher Education Commission the number of hazing incidents reported at Hagerstown Community College in the prior academic year and the outcomes of the incidents. Hazing statistics will also be included in the Annual Security Report.

Definitions: “Hazing” means an act that is prohibited under Section 3-607 of the Criminal Law Article, and includes the following:

- The implied or expressed consent of a student to hazing is not a defense of hazing activity.

A Hagerstown Community College student who violates Section 3-607 of the Criminal Law Article will be subjected to on campus disciplinary review as well as off-campus review; individuals may be found guilty of a misdemeanor and on conviction subject to imprisonment not exceeding 6 months or a fine not exceeding \$500 or both.
