

Staff Council Meeting Minutes

September 17, 2025

2:00 – 3:00, STC-141

Attendees: Ryan Hazen (Chair), Trisha Horowitz (Vice-Chair), Sharon Monigold (Secretary), Jason Buhrman, Rachel Johnson, Shelley Leshar, and Justin Burnett

Presentation:

Jamie Cannon gave a presentation on what is going on with the faculty union process and answered questions related to that process.

Old Business:

Motion by Shelley Leshar to approve the minutes from last meeting with a second by Jason Buhrman. Minutes were approved by a voice vote.

At the last meeting the position of Vice-Chair was not filled. Motion was made by Jason Buhrman and seconded by Shelley Leshar to elect Trisha Horowitz as Vice Chair which was passed by a voice vote.

Carlee Ranalli reached out to see if anyone had an interest in serving on the following committees:

- Admin & It Committee
- Student Affairs Committee
- Campus Safety Committee

New Business:

Discussed what can be done to help students deal with protestors on campus. Protests are allowed because it is an open campus and students don't necessarily understand this. Thoughts were perhaps having something with new student orientation and someone to escort students that don't feel comfortable going past protestors.

Staff appreciation was discussed with some of the ideas being a luncheon and year pins. Also, more things like the massage event that was held on campus this week. Ryan is going to invite Mike Markoe from HR to talk to us at the next meeting.

Next meeting – Wednesday, November 19, 2:00 pm.
