III. Discussion Topics:

1. Course and Program Inquiry Forms

Course and program inquiry forms have been created for directors and full-time faculty to introduce a new course or program concept and provide the initial overview of its academic purpose, student value, and place within the curriculum. The information will help the College understand the proposed course and identify questions or considerations for further development prior to coming to the committee. At this stage, the full spectrum of implementation and resource details do not need provided.

2. Next Meeting: December 10, 2026 at 2:30PM in STC-182
