

The Alzheimer's Association Training for Direct Care Staff: A Course in Caring for People with Cognitive Impairment and Related Mental Health Issues

bbb.org/charity

alzheimer's association®
the compassion to care, the leadership to conquer

Tuesday, May 6, 2014
9:30 a.m. - 3:30 p.m.
NRS 907 K
Fee: \$53
Valley Mall, Room 6

To be held at Hagerstown Community College's Valley Mall location

The Alzheimer's Association, Greater Maryland Chapter, is providing training for care providers working in Assisted Living facilities. Each member of your staff is invited to attend. This 5-hour training is presented by the staff of the Alzheimer's Association and the Mental Health Association and meets the State of Maryland's new regulations for Assisted Living providers. Each participant will receive a certificate.

Topics include:

- An overview of Alzheimer's Disease
- Communication methods that are beneficial in handling dementia patients
- Activities for dementia patients that will keep them occupied and active
- Common behavior problems associated with persons affected by dementia
- Identify actions from the dementia patient that may require emergency intervention

To register, call 240-500-2236 or visit www.hagerstowncc.edu/coned for more information
