# Ellucian Go/WebAdvisor Mobile Apple/Android App

# Get the App - Ellucian Go

Search for "Ellucian Go" in the Apple Store on Apple devices or Google Play on Android devices. It is likely the top or only result. Only iPhone and Android devices are supported at this time. Install this application as you would any other application on your device.

# Choose HCC as your School

Many schools are using Ellucian Go to provide mobile student services. Select Hagerstown Community College from the institution list. You may either slide through until you see "Hagerstown Community College" or type hcc in to shorten the list. You'll see a screen like below if you selected the correct institution.

## **Register for Credit Courses**

Touch the HCC logo at the top left to access the menu or on an Android it's a 3 bar icon.

Touch "**Register for Credit Courses**". Here you can register for courses. First select a term and then enter a key word, phrase or course number, then touch "**search**".

The search here is broader than used for WebAdvisor. It searches the description and other course fields. This creates many more results and some that are misleading. For example, a search for mat-098 will list many other courses because mat-098 is listed in the course description as a prerequisite.

Scroll through and once you find the course you want to register for, tap the radio button to the left of the course to select it. Then tap on "Add to Cart". The course will go into your shopping cart.

# Browse the Menu

Take a few minutes to browse the menu items.

## **Applications**

#### My Courses

My Courses allows students and faculty to view information about the courses that they are taking or teaching.

#### **My Grades**

My Grades allows students to view midterm or final grades for all terms that have grades recorded in your information system.

#### Faculty/Staff Directory

Faculty/Staff Directory allows users to search for instructors or employees at HCC and get contact information for them. Start entering a name to see results.

#### **Campus Maps**

Campus Maps shows maps of our campuses in your device native map software. Select the campus site by tapping the building icon in the upper right. Campus buildings are marked with pins which can be tapped for more information about the building.

#### **Room Finder**

Room finder will load the Room Locator page of the HCC website to browse in Ellucian Go. This page can help you find a specific room on campus.

#### Notification Center

Notification Center allows users to view important messages from HCC regarding holds on accounts or other non-emergency messages from HCC.

#### Important Phone Numbers

The Important Numbers module provides a directory of phone numbers and other contact information.

### **Student Financials**

Student Financials module provides students with their overall balance and shows the most recent transaction information.

## <u>Links</u>

## HCC Website

This will load the HCC website to browse in Ellucian Go.

#### WebAdvisor Website

Will load WebAdvisor in your mobile device's native browser.

#### **HCC** Bookstore Website

Will load the HCC Bookstore website to browse in Ellucian Go.

## **Actions**

#### Home

Takes you to the starting screen for the app.

#### About

About provides contact information for the college.

#### Switch School

Configure Ellucian for a different school. If the wrong institution is selected, this will allow you to return to the select institution screen that happens when the app is ran for the first time.

#### Sign Out

Logs you off of Ellucian Go.
