

## New Student Center Opens at HCC

On Thursday, October 22, 2015, HCC dedicated the new state-of-the-art Student Center on Campus. The \$15 million dollar project features enhanced student lounge areas, study spaces, and meeting rooms for campus clubs, as well as a 10,000 sq.-ft. outdoor patio and recreation area that brings the total square footage of the indoor and outdoor expanded areas to more than 59,000 sq. ft.

The new Student Center now houses student services offices including the HCC Campus Store, the Student Academic Advising Office, the Dean of Students Office,

Veterans Services, and the Trio Student Support Services Office. The Hilltop Grill, the Student Center eatery, has been enlarged in the new building from a seating capacity of 60 to 300 and includes a new coffee bar and café. Outdoor dining and activity space has also been enhanced with the addition of sand volleyball court off the patio. The building features new smart device charging stations and video walls that make it easier for students to stay plugged in to campus life. A student walkway was also recently installed on the second floor of the Learning Resource Center, or LRC,

allowing students to walk directly to the Student Center from the college library, without going outside.

The HCC Alumni Association recently donated \$25,000 to the Student Center Building Campaign to name the executive dining space in the new center in honor of the association. If you would like to visit the new Student Center, call the College Advancement Office at 240-500-2346 to schedule a guided tour. ## Celebrating 70 Years of Service to Our Community

The Cracker Box Building at South Hagerstown High School

The year 2016 marks the 70th Anniversary of Hagerstown Community College/Hagerstown Junior College, Maryland's first community college. Started in 1946, the College was founded to meet the needs of returning veterans from WWII who were seeking job training and education in Western Maryland. Today, 70 years later, HCC is a vibrant, accredited, learner-centered, accessible, lifelong learning institution dedicated to student and community success. The 319-acre picturesque campus encompasses 18 buildings and includes a full-service business incubator, numerous gardens, and an outdoor amphitheater.

Looking back, we remember that the College began on the grounds of the old Hagerstown High School; then graduated to its own small building on the grounds of South Hagerstown

High School and finally came to its current picturesque location on Robinwood Drive in the fall of 1966, some 50 years ago this very year. Throughout the 70-year history the College was led by only three presidents: the late Dr. Altee Kepler, the late Dr. Norman Shea, and, for the last 14 years, HCC has operated under the leadership of our current president Dr. Guy Altieri. Growing through the years in status and beauty, HCC today is one of the most beautiful community colleges in America.

To celebrate the many accomplishments of our Alma Mater, we will host a Anniversary Gala on Saturday evening, September 24, 2016, at the

The Old Hagerstown High School Building

Fountainhead Country Club in Hagerstown. You are invited to attend. The event will feature a social hour, dinner and dancing, a cash bar, and

Our Three Presidents

a program highlighting HCC. Cocktail attire is suggested. The cost to attend is \$35.00 per person. To attend, complete the enclosed form and return to HCC Alumni Office at 11400 Robinwood Drive, Hagerstown, MD 21740. Seating is limited to 250, so reserve your spots today. Plan now to be part of the celebration marking HJC/HCC's 70 years of service.

## HCC Alumni Association presents 2016 Outstanding Alumnus Awards

Michael Kipe and Judith Kofoet at HCC's Honors Convocation in May 2016

Michael Kipe and Judith Kofoet, both of Hagerstown, each were presented the 2016 Hagerstown Community College Alumni Association Outstanding Alumnus Award at HCC's recent Honors Convocation. These awards are presented for meritorious service to and support of the HCC Alumni Association and our community.

Judy Kofoet graduated from Hagerstown Junior College in 1980 and went on to earn bachelor's and master's degrees from Hood College. In her professional life, Judy was a professor of radiography at HCC. Shortly after retirement from that career, she returned to HCC and worked as the first volunteer coordinator until 2011, when she fully retired.

Judy enjoys her role as a Washington County Master Gardener, serving on the advisory committee and as the continuing education coordinator. She is active with the First Christian Church in Hagerstown and is the proud mother of five grown children and a proud grandmother.

Judy remains dedicated to HCC and its Alumni Association, where she is a life member and has served as the association's past president. She is a founding member of the Association's Flower and Garden Show Committee, serving for more than 23 years in a variety of roles. She also continues to serve as a volunteer at HCC, helping with the radiography program, College for Kids,

and leading a group of volunteers to help maintain HCC's named gardens on a weekly basis.

Mike Kipe graduated from HCC in 1999 and went on to earn a bachelor's degree in accounting from Salisbury University in 2002. He is a CPA/accountant working for Smith Elliott Kearns and Co. in Hagerstown. He served as team operations manager for the Hagerstown Braves summer baseball team. He is a volunteer varsity baseball coach at Smithsburg High School, where he coached the school's only state championships team in 2014. Mike served on the board of directors for the Federal Little League from 2009 to 2014 and continues to administer the finances for that group. He is an officer for the Hagerstown Baseball Association. Mike is married and the father of two young children.

Mike is also very active with the Hagerstown Community College Alumni Association serving on the board of directors and executive committee, as the association's treasurer, and as an active member of our successful golf tournament committee.
