

Wicked at the Hippodrome Theatre

A Cultural Day Trip with Hagerstown Community College

Saturday, February 15

Forget all that you know about The Wizard of Oz and be transported once again to the magical land of Oz! Wicked is the story of two magically inclined women, one blonde, and one green of skin - and their coming-of-age as the forces of good and (perceived) 'wicked'.

Based on the critically acclaimed novel by Gregory Maguire and winner of three Tony awards, Wicked explores the foundation of the Oz legend, of what made Glinda and Elphaba become the icons of good and bad, and whether all is what it appears to be in later stories.
